Taken In American Gullibility And The Reagan Mythos

Robert Cole

Taken In American Gullibility And The Reagan Mythos:

Taken in Stephen Ducat,1988 **The Reagan Rhetoric** Toby Glenn Bates,2011-05-17 The Reagan Rhetoric examines the extraordinary connections between President Ronald Reagan's conversations with the American people and the profound changes that swept the nation under those conversations influence Through the lens of history rhetoric and memory Bates work draws connections between the style manner and consistency of Reagan's oratory and the social and cultural settings in which it played so vital a role Specifically focusing on the 1980 Neshoba County Mississippi Campaign visit the popular culture memory of the Vietnam War and the controversy of Iran Contra this book illustrates Reagan's sweeping ability to change how Americans thought about themselves their past and their politics By concluding with an examination of media coverage of Reagan's 2004 death Bates reveals that certain interpretations Reagan rhetorically offered during his presidency had become an accepted collective memory for millions of Americans In death as in life Reagan had the last word Through extensive archival research the careful examination of well known and obscure 1980s print media and popular culture as well as new interviews Bates challenges the prevailing Reagan historiography and provides a thoughtful reality check on some of the traditional views of his eight years in the Oval Office The Reagan Rhetoric offers new and important contributions to Reagan studies that will appeal to scholars of the 40th president This look at the 1980s will be of great interest to the growing number of historians studying that decade *Annals of Gullibility* Stephen Greenspan,2008-12-30 The first book to provide a comprehensive look at the problem of gullibility this groundbreaking work covers how and why we are fooled in areas that range from religion politics science and medicine to personal finance and relationships First laying the groundwork by showing gullibility at play in the writings of historic authors we all know developmental psychologist Stephen Greenspan follows with chapters that describe social duping across the gamut of human conduct From people who pour bucks into investment scams to those who follow the faith of scientologists believe in fortunetellers or champion unfounded medicine akin to snake oil we all know someone who has been duped A lot of us have been duped ourselves out of naive trust It's not a matter of low intelligence that moves us to without evidence believe the words of politicians salesmen academics lawyers military figures or cult leaders among others Greenspan shows us the four broad reasons we become drawn into gullible behavior and he presents ways people can become less gullible Greenspan takes us into the vast realm of gullibility from the fictional Pied Piper to the historical Trojan Horse then through modern day military maneuvers political untruths police and criminal justice scams and financial and love lies While there have been earlier books focused on liars and manipulators of all sorts this is the first to focus on the gullible who are their victims and how the gullible can become less likely to be taken again Men, Masculinities and Social Theory (RLE Social Theory) Jeff Hearn,D.H.J. Morgan,2014-08-13 This volume presents a series of illustrative and critical perspectives upon the developing study of men and masculinities and its importance for sociological theory The contributions by women and men from Britain and the United States are organized

around the unifying themes of Power and Domination Sexuality Identity and Perception Feminism has raised profound questions for the social sciences for sociological theory and for the study of men The contributors to this volume discuss how such questions can be addressed They demonstrate the range of theoretical traditions that can be brought to bear on the study of men and underline the importance of understanding masculinities in the plural In a concluding section three different views upon the controversy surrounding Men s Studies are presented *Holy War* David S. New,2015-10-03 Temple Mount is believed by some Jews to be the locus of their ancient Temple Known to Muslims as Haram al Sharif the Noble Sanctuary this site is home to two mosques one of which is the third most holy shrine in all of Islam Jewish fundamentalists want to destroy the mosques on Temple Mount and rebuild the Temple Christian apocalypticists are financing and supporting their efforts If the mosques are destroyed Islamic fundamentalists have vowed to destroy Israel resulting in the possibility of nuclear war This book addresses the idea that the recent rise of militant Christian Jewish and Muslim fundamentalisms and their interaction are endangering peace in the Middle East It fully examines the thesis that apocalypticist fundamentalists Christians in America Jews in Israel and America are working together to hasten the coming of the Messiah by instigating a Holy War in the Middle East Several chapters focus on three U S political figures Jerry Falwell Ronald Reagan and Pat Robertson who helped bring Christian fundamentalism into the mainstream of American politics One chapter tells of Jewish preparations for rebuilding the Temple on Temple Mount Other chapters document the rise of religious fundamentalism in Israel since 1967 Haram al Sharif Temple Mount crises involving Christian Jewish cooperation and the rise of Islamic fundamentalism Separate chapters are devoted to Israel s nuclear program and political psychology and the fact that nuclear weapons are leaving Russia and finding their way to Islamic nations and Islamic terrorists *The Wimp Factor* Stephen J Ducat,2005-09-07 In this landmark exploration of how male anxiety has come to define our political culture Stephen J Ducat shows the link between the desperate macho strutting of male politicians the gender gap in voting behavior and fundamentalist holy wars He argues that a direct association exists between the magnitude of a man s femiphobia that is his terror of being perceived as feminine and his tendency to embrace right wing political opinions From the strenuous efforts by handlers to counter George H W Bush s wimp factor to the swaggering arrogance that led to the moral and military quagmire in U S occupied Iraq anxious masculinity has been a discernible subtext in politics Ducat shows how this anxiety has been an underlying force in public life throughout the history of Western culture and also explores why and how certain political issues get gendered Analyzing various aspects of popular culture and drawing on pioneering research on the gender gap *The Wimp Factor* is a fascinating expos that will alter our understanding of contemporary politics

Encyclopaedia of Propaganda Robert Cole,2022-03-24 The Encyclopedia of Propaganda examines all aspects of propaganda through history and is organized in an A to Z format The set defines the arenas in which propaganda is used such as politics war advertising and media pinpoints the political systems in which it is used such as Nazism Communism and

McCarthyism and describes notable progenitors of propaganda and their works including Hitler and Mein Kampf Machiavelli and The Prince Sun Tzu and The Art of War and Plato and The Republic The Encyclopedia of Propaganda also examines noteworthy individuals who have employed propaganda to further their own agenda including Walt Disney Fidel Castro Jane Fonda the Rev Jerry Falwell Saddam Hussein Rush Limbaugh and Eleanor Roosevelt Organizations which have utilized propaganda in a systematic fashion are also included among them the Black Panther Party the Sandinista National Liberation Front and the People for Ethical Treatment of Animals This well organized easy to use reference should be a valuable research tool for students of world history politics and literature *The Psychohistory Review* ,1996 The Journal of Psychohistory ,1993 **Propaganda in Twentieth Century War and Politics** Robert Cole,1996-11-07 Annotated bibliography of books and articles written about propaganda theory and history propaganda delivered in literature press and pulpit propaganda and revolution reaction social change and international politics dealings with facist and other totalitarian systems and materials dealing with remodeling postwar Western societies The Utne Reader ,1989 **Selected New Books** New Jersey State Library,1989-04 **Objectivity, Communication, and the Foundation of Understanding** Bruce Wayne McKinzie,1994-06-28 If objectivity in observation and communication is impossible why does it persist as a significant world view In Objectivity Communication and the Foundation of Understanding Bruce Wayne McKinzie interrogates lay and scholarly arguments to answer this question and finds that objectivism endures because of practical necessity Objectivism and related presumptions form a backdrop for understandings that appear to be indispensable in everyday living McKinzie explores and attempts to reconcile relativism and absolutism and in doing so searches for common ground between the hermeneutic world of unending interpretation and the world of concrete meanings that are evidently necessitated by the exigencies of day to day life The findings of the study also suggest a theory that unites human understanding and human communication Book cover *Cold War Compulsions* Nancy D. Campbell,1995 **The Encyclopedia of Propaganda: Russia: 1918-1953** ,1998 Contains 510 alphabetically arranged essays that provide information about the historical political sociological cultural and artistic aspects of propaganda focusing on the late nineteenth and early twentieth centuries and includes bibliographies cross references maps charts photographs and an index Sipapu ,1989 **Amerikastudien** ,1974 **Social Development Issues** ,1994 American Book Publishing Record ,1988 Canadian Journal of Political and Social Theory ,1988
