Directive from a British perspective focusing on the impact of the transposition of the Takeover Directive into the UK The book examines the provisions of the City Code on Takeovers and Mergers and discusses the takeover provisions in the Companies Act 2006 that implement the Takeover Directive in the UK arguing that the Directive will provide a new basis for UK takeover regulation and that the system will work well Jonathan Mukwiri goes on to consider the Directive in relation to the EU arguing that despite its deficiencies in that Member States are free to opt to restrict takeovers the Directive provides a useful legal framework by which takeovers are regulated in different jurisdictions Mukwiri highlights how the freedoms of the EC Treaty and EU Directives interact and the effects of the Takeover Directive on political considerations in the law making process in European Community Moreover he argues that the future of EU takeover regulation is likely to follow the lead of the UK making this book relevant to a wide range of policy makers and academics across Europe
