Caring for the Earth The World Conservation Union (Iucn), Unep, Wwf, 2013-11-05 This is a strategy for a kind of development that provides real improvements in the quality of human life and at the same time conserves the vitality and diversity of the Earth The goal is development that will be sustainable Today it may seem visionary but it is attainable To more and more people it also appears our only rational option from Chapter 1 in 1980 the International Union for Conservation of Nature and Natural Resources the United Nations Environment Programme and the World Wide Fund for Nature the world's three most powerful organizations dedicated to preventing environmental catastrophe published the World Conservation Strategy It stressed the interdependence of conservation and development it gave currency to the idea of sustainable development and it made the point that unless the vitality and productivity of the planet are safeguarded the future for humanity is at risk Its impact was immediate and worldwide Now ten years later the same three organizations have formulated a new strategy for the 1990s Caring for the Earth builds on all that has been learned in the last decade about the complexity of the problems and shows how radical and far reaching are the actions and objectives needed to meet them Nothing less than a new ethic is required based on affirming the community of life and cherishing its diversity an ethic which has to be reflected in our personal attitudes and the organization of our communities as much as in wider policies Public participation is essential for the success of the strategy which is addressed to individuals and citizens groups as well as to governments whatever their systems Adopting it will not be easy but it does provide the agenda for immediate action

Kulathungam,2019-12-09 Why bother with God when he is viewed as a sacred superstition a discarded non entity or a pretext for religious wars Jews and Christians have doubted and discarded God at many times throughout the ages and have also justified countless conflicts in his name Their history however tells a different story Here we observe the historical reality of God s relentless quest to relate with people whether Jew or gentile Despite significant differences between these communities this is the DNA that binds them and places them in a paradigm different from the one articulated in The Quest Christ Amidst the Quest where people are seeking to be freed from their predicament The Judeo Christian narrative shows God s incessant quest orchestrated through various channels such as scriptural revelation miraculous interventions covenantal commitments divine presence in the tabernacle or the temple God s sacrificial incarnation in Christ and the advent of the anticipated Jewish Messiah The narrative climaxes in a grand finale when humans and their habitat will be ushered into an age of peace and harmony Journeying through such a narrative will provide assurance that God is walking with you amidst life s turmoil and that the best is yet to be **Health Revelations from Heaven and Earth** Tommy

Rosa,Stephen Sinatra,2015-10-27 Fifteen years ago Bronx born plumber Tommy Rosa died in a hit and run incident Lying by the road he felt a tug whisking him off into a tunnel of light to meet his Divine Teacher in Heaven After several weeks in a coma Tommy returned to Earth to walk again with a heightened sense of connection to one and all Around the same time Dr Stephen Sinatra an integrative cardiologist was dismantling the prevailing ideas of preventive pharmacology with his holistic approach to treatment In their first encounter Tommy got the intuitive message that Dr Sinatra had an infection in his hip Tommy s insight confirmed Dr Sinatra s own similar thoughts of infection When Tommy shared with Dr Sinatra the divine revelations of healing that he had learned Dr Sinatra was shocked the keys to solving the imbalance of energy that he had identified as the cause of most chronic illness were the same as those Tommy was relating From this intersection of the divine and the scientific Tommy Rosa and Dr Sinatra began writing a prescriptive guide for healthy living In *Health Revelations from Heaven and Earth* Tommy Rosa reveals the 8 Revelations gleaned from God that will lead you toward
