Taking Charge A Bipartisan Report To T:

A Failure of Initiative: Final Report of the Select Bipartisan Committee To Investigate the Preparation for and Response to Hurricane Katrina, February 15, 2006 , **The U.S. Army and the New National Security Strategy** Lynn E.

Davis,Jeremy Shapiro,Bruce Nardulli,Roger Cliff,Nora Bensahel,2003-07-09 This book examines the Army s role in the war on terrorism the Army s homeland security needs the implications of increased emphasis on Asia the Army s role in coalition operations the unfinished business of jointness the lessons learned from operations and how to prepare for the future the Army s deployability logistical and personnel challenges and whether the Army can afford its Transformation These examinations are bracketed by an introduction a description of the Army s place in the new national security strategy and a summary of the authors conclusions **National Security Entrepreneurs and the Making of American Foreign Policy**

Vincent Boucher,Charles-Philippe David,Karine Prémont,2020-11-12 Since the advent of the contemporary US national security apparatus in 1947 entrepreneurial public officials have tried to reorient the course of the nation s foreign policy Acting inside the National Security Council system some principals and high ranking officials have worked tirelessly to generate policy change and innovation on the issues they care about These entrepreneurs attempt to set the foreign policy agenda frame policy problems and solutions and orient the decision making process to convince the president and other decision makers to choose the course they advocate In National Security Entrepreneurs and the Making of American Foreign Policy Vincent Boucher Charles Philippe David and Karine Pr mont develop a new concept to study entrepreneurial behaviour among foreign policy advisers and offer the first comprehensive framework of analysis to answer this crucial question why do some entrepreneurs succeed in guaranteeing the adoption of novel policies while others fail They explore case studies of attempts to reorient US foreign policy waged by National Security Council entrepreneurs examining the key factors enabling success and the main forces preventing the adoption of a preferred option the entrepreneur s profile presidential leadership major players involved in the policy formulation and decision making processes the national political context and the presence or absence of significant opportunities By carefully analyzing significant diplomatic and military decisions of the Johnson Nixon Reagan and Clinton administrations and offering a preliminary account of contemporary national security entrepreneurship under presidents George W Bush Barack Obama and Donald Trump this book makes the case for an agent based explanation of foreign policy change and continuity **The Stryker Brigade Combat Team** Alan J. Vick,David T.

Orletsky,Bruce R. Pirnie,Seth G. Jones,2002-12-24 Examines alternative means to decrease the deployment time for the new Army medium weight brigade comparing air and sealift from the United States with air and fast but short range sealift from forward bases or preposition sites Historical experience and an assessment of U S regional interests are used to determine how much warning time the United States typically has before major force deployments and where it is most likely to deploy such forces The Declining World Order Richard Falk,2013-03-07 This work delineates the impact of terrorism and the

American response on the basic structure of international relations the dimming prospects for global reform and the tendency to override the role of sovereign territorial states Falk examines the changing role of the state the relevance of institutions the role of individuals and the importance of the worldwide religious resurgence with its positive and negative implications He also considers the post modern geopolitics of the Bush presidency with its emphasis on the militarization of space the control of oil in the Middle East and its reliance on military capabilities so superior to that of other states as to make any challenge impractical **New Thinking about the Taiwan Issue** Jean-Marc F. Blanchard, Dennis V.

Hickey, 2012-06-12 The Taiwan question has long been considered one of the most complicated and explosive issues in global politics In recent years however relations between Taiwan and the Chinese mainland have improved substantially to the surprise of many In this ground breaking collection distinguished contributors from the US Asia and Europe seek to go beyond the standard recitation of facts that often characterizes studies focusing on the Beijing Taipei dyad Rather they employ a variety of theories as well as both quantitative and qualitative methodologies to analyze the ebbs and flows of the Taiwan issue Their discussions clearly illuminate why there is a Taiwan Problem why conflict did not escalate to war between 2000 and 2008 and why cross Strait relations improved after 2008 The book further reveals the limits of realism as a device to gain traction into the Taiwan issue demonstrates the importance of taking into account domestic political variables and shows how theory can be used to advance the cause of better China Taiwan relations and to analyze the potential for future conflict over Taiwan *New Thinking about the Taiwan Issue* is essential reading not only for students scholars and practitioners with an interest in studying relations across the Taiwan Strait but also for any reader interested in economics international relations comparative politics or political theory *The Great Powers versus the Hegemon* E.

Ahrari, 2011-11-15 This is a study of great power relations China India and Russia among themselves and with the hegemon United States Ahrari argues that the next decade may witness the emergence of a bipolar order where China's dominance in economics is certain however China will not seriously challenge the military dominance of the U S The World Views of the Obama Era

Matthias Maass, 2017-11-07 This book presents selected non US views of the Barack Obama administration Each chapter investigates eight years of the Obama presidency from a different national perspective By bringing together fourteen country studies from all regions of the world this volume offers an accumulative global view of the Obama White House's foreign policies and bilateral affairs It provides an outside perspective on a presidency that was initially greeted with much enthusiasm world wide but seemed to fall out of favor over time in most countries The overwhelming hope that was associated with the election of Obama in 2008 turned to disillusionment world wide the changes in US external affairs he promised were only partially fulfilled and the world was reminded that America's place and role in the world would not change dramatically not even under the inspirational Obama **Afghanistan, Pakistan and Strategic Change** Joachim

Krause, Charles King Mallory, IV, 2014-01-03 The region encompassing Afghanistan and Pakistan Af Pak region is undergoing

a fundamental strategic change This book analyses the nature of this strategic change in order to seek possible future scenarios and to examine policy options It also undertakes a critical review of the basic elements of the Western strategic approach towards dealing with regional conflicts in all parts of the world with special emphasis on the Af Pak region Dealing with the political developments in one of the most volatile regions in the world Afghanistan and Pakistan the volume focuses on Western strategic concerns The withdrawal of ISAF by 2014 will change the overall political setting and the work addresses the challenges that will result for Western policymakers thereafter It examines the cases of Afghanistan and Pakistan separately and also looks at the broader region and tries to identify different outcomes This book will be of much interest to students of Central and South Asian politics strategic studies foreign policy and security studies generally
