*Damned if I don't* Elizabeth Stevens, 2020-01-31 The devil will walk the earth To plan a wedding Drake I never thought I d fall in love And certainly not with a little human spitfire The men in my family are familiar with falling But falling in love with Wren took me by surprise And while everyone agrees we re married by my father s law apparently everyone likes a party So now we have to plan what Wren s mum calls the proper wedding But Wren s torn between Hell and Earth between being my wife for all eternity and living a human life I don t know how to make her happy But if I could get one minutes peace I might be able to work it out Wren Love totally snuck up on me Especially when it looked like Lucifer s son At barely eighteen I m married to the son of the Lord of Hell It wasn t something I planned and I don t know I d recommend it But I wouldn t change a thing Except there s pressure on all sides o have a proper wedding and everything that involves I love Drake more than I thought was possible But I m not sure how to be Drake s immortal wife as well as the human Wren But If I could get one minutes peace I might be able to work it out Please be aware that this story uses Australian English spelling and syntax Not recommended for younger readers due to mature content      The Imperial Lexicon of the English Language John Boag, 1850
