The Truth about Recruiting the Best Job Candidates, 2007

Comedy and Distinction Sam Friedman, 2014-04-24 This book was shortlisted for the 2015 BSA Philip Abrams Memorial Prize Comedy is currently enjoying unprecedented growth within the British culture industries Defying the recent economic

downturn it has exploded into a booming billion pound industry both on TV and on the live circuit Despite this academia has either ignored comedy or focused solely on analysing comedians or comic texts This scholarship tends to assume that through analysing an artist s intentions or techniques we can somehow understand what is and what isn t funny But this poses a fundamental question funny to whom How can we definitively discern how audiences react to comedy Comedy and Distinction shifts the focus to provide the first ever empirical examination of British comedy taste Drawing on a large scale survey and in depth interviews carried out at the Edinburgh Festival Fringe the book explores what types of comedy people like and dislike what their preferences reveal about their sense of humour how comedy taste lubricates everyday interaction and how issues of social class gender ethnicity and geographical location interact with patterns of comic taste Friedman asks Are some types of comedy valued higher than others in British society Does more legitimate comedy taste act as a tangible resource in social life a form of cultural capital What role does humour play in policing class boundaries in contemporary Britain This book will be of interest to students and scholars of sociology social class social theory cultural studies and comedy studies

Children's Ministry on Purpose Steven J. Adams, 2017-03-28 Many children s ministries are a flurry of activity run by dedicated volunteers and staff who put in long hours and work hard for the good of the children and parents they serve Yet despite good intentions many children s ministries today are not effective They lack purpose and intentionality A twenty five year veteran of children s ministry in the local church pastor Steve Adams has ministered to families in multiple churches from tiny church plants to his present position at Saddleback Church In this book Steve applies the revolutionary insights of the Purpose Driven Church to children s ministry and leads readers on a journey of discovery showing them how to develop an intentional ministry process that moves children toward spiritual health while building a healthy ministry environment for those who work with kids You will learn how to ask and answer five simple but powerful questions Why are we on this journey Where are you and where are you going Who are we trying to reach How will we move our children towards spiritual health What are the essential elements necessary for the journey There is no single key to a successful children s ministry nor is there only one way that works for everyone But there is a proven process you can follow and Steve shows how children s ministries all over the world are reaching their God given potential by discovering their biblical purpose avoiding the traps of frustration and burnout

The Strike Zone R. Mark Janacek, 2016-03-29 It takes place every day business professionals evaluate the performance of an individual a department or team and perhaps even an entire company However for many managers the process of evaluating performance is a dreaded corporate ritual that fails to cut to the chase and answer the question Did the performer achieve the objective or not For nearly 35 years as a national and international management consultant Mark Janacek has helped Fortune 500 organizations around the globe to improve individual team and corporate performance An avid and lifelong baseball fan Janacek applies the simplicity of calling balls strikes and outs against the strike zone as a model for evaluating performance in the business setting The Strike Zone

provides both a practical set of techniques as well as a strong philosophical foundation for simplifying and strengthening the evaluation process across the entire business enterprise For over three decades Janacek observed the hand wringing frustration of both managers and staff struggling with evaluation systems failing to identify and truly reward excellence in performance while correctly indicting poor performers that weigh down the organization The Strike Zone is designed to reverse this agonizing trend and vector corporate cultures to perform as never before Janacek liberates well meaning HR departments and company executives as he uncovers the ten most common evaluation traps found in many organizations The Strike Zone provides specific hard hitting strategies to avoid them Janacek s cutting edge approach makes The Strike Zone a must read for everyone competing in the business setting Regardless of your position owner executive manager team leader or individual contributor The Strike Zone will surely engage you with keen insights great depth of thought and ignite those long lost passions for excellence

Making Media Work Derek Johnson,Derek Kompare,Avi Santo,2014-08 The management and labor culture of the entertainment industry In popular culture management in the media industry is frequently understood as the work of network executives studio developers and market researchers the suits who oppose the more productive forces of creative talent and subject that labor to the inefficiencies and risk aversion of bureaucratic hierarchies However such portrayals belie the reality of how media management operates as a culture of shifting discourses dispositions and tactics that create meaning generate value and shape media work throughout each moment of production and consumption Making Media Work aims to provide a deeper and more nuanced understanding of management within the entertainment industries Drawing from work in critical sociology and cultural studies the collection theorizes management as a pervasive yet flexible set of principles drawn upon by a wide range of practitioners artists talent scouts performers directors show runners and more in their ongoing efforts to articulate relationships and bridge potentially discordant forces within the media industries The contributors interrogate managerial labor and identity shine a light on how management understands its roles within cultural and creative contexts and reconfigure the complex relationship between labor and managerial authority as productive rather than solely prohibitive Engaging with primary evidence gathered through interviews archives and trade materials the essays offer tremendous insight into how management is understood and performed within media industry contexts The volume as a whole traces the changing roles of management both historically and in the contemporary moment within US and international contexts and across a range of media forms from film and television to video games and social media
