Tales of Court and Castle Joan Bodger, 2003-11 Tales of Court and Castle presents medieval tales of treachery and Tales of Court and Castle Joan Bodger, 2003-11-11 Selected by the Children's Book Committee at Bank Street College of Education as one of the 2004 Best Children's Books for the Year The late Joan Bodger was known internationally as one of our foremost storytellers At the heart of her repertoire were the great medieval tales of lords and ladies treachery and chivalry Among these beautiful courtly tales from Europe are the stories of Tristan young and old Childe Rowland Burd Janet and Iron John These are stories that were heard at the long tables of the great halls stories repeated around modest peat fires in cozy cottages stories that traveled with the tellers across the seas Tales of Court and Castle is an irresistible invitation to young readers to discover stories of enduring power Casque and Cowl. A **Tale of the French Reformation** Author of The lily and the rose, 1875 Tales of a Grandfather Walter Scott. 1869 Sir Walter's ward: a tale of the Crusades William Everard (writer of fiction.), 1888 The Avenger; Or, The Oath of Blood. A German Tale. Translated (by Robert Huish), Etc Carl SPINDLER (Novelist), 1840 **Historical Tales of Lancastrian Times** Henry Peter Dunster, 1864 **All Things Medieval** Ruth A. Johnston, 2011-08-15 This insightful survey of the things of medieval Europe allows modern readers to understand what they looked like what they were made of how they were created and how they were used All Things Medieval An Encyclopedia of the Medieval World covers the widest definition of medieval Europe possible not by covering history in the traditional textbook manner of listing wars leaders and significant historic events but by presenting detailed alphabetical entries that describe the artifacts of medieval Europe By examining the hidden material culture and by presenting information about topics that few books cover pottery locks and keys shoes weaving looms barrels toys pets ink kitchen utensils and much more readers get invaluable insights into the nature of life during that time period and area The heartland European regions such as England France Italy and Germany are covered extensively and information regarding the objects of regions such as Byzantium Muslim Spain and Scandinavia are also included For each topic of material culture the entry considers the full scope of the medieval period roughly 500 1450 to give the reader a historical perspective of related traditions or inventions and describes the craftsmen and tools that produced it The Complete Story of the Grail Chrétien (de Troyes), 2015 The mysterious and haunting Grail makes its first appearance in literature in Chr tien de Troyes Perceval at the end of the twelfth century But Chr tien never finished his poem leaving an unresolved story and an incomplete picture of the Grail It was however far too attractive an idea to leave Not only did it inspire quite separate works his own unfinished poem was continued and finally completed by no fewer than four other writers The Complete Story of the Grail is the first ever translation of the whole of the rich and compelling body of tales contained in Chr tien's poem and its four Continuations which are finally attracting the scholarly attention they deserve

Besides Chr tien s original text there are the anonymous First Continuation translated here in its fullest version the Second Continuation attributed to Wauchier de Denain and the intriguing Third and Fourth Continuations probably written simultaneously with no knowledge of each other s work by Manessier and Gerbert de Montreuil Two other poets were drawn to create preludes explaining the background to Chr tien's story and translated here also are their works The Elucidation Prologue and Bliocadran Only in this The Story of the Grail's complete form can the reader appreciate the narrative skill and invention of the medieval poets and their surprising responses to Chr tien s theme not least their crucial focus on the knight as a crusader Equally Chr tien's original poem was almost always copied in conjunction withoue or more of the Continuations so this translation represents how most medieval readers would have encountered it Nigel Bryant s previous translations from Medieval French include Perlesvaus the High Bookof the Grail Robert de Boron s trilogy Merlin and the Grail the Medieval Romance of Alexander The True Chronicles of Jean le Bel and Perceforest **Leicestershire and Rutland Folk Tales** Leicestershire Guild of Storytelling, 2013-02-01 These lively and entertaining folk tales from one of Britain s most ancient counties are vividly retold by Leicestershire Guild of Storytelling Their origins lost in the oral tradition these thirty stories from Leicestershire and Rutland reflect the wisdom and eccentricities of the counties and its people Leicestershire and Rutland have a rich and diverse collection of tales from stories of epic battles and heroic deeds to legends of mythical creatures and ghostly goings on These stories illustrated with twenty five line drawings bring alive the landscape of the counties rolling hills and fertile plains Leicestershire Guild of Storytelling is a group of professional storytellers who have been collecting and telling traditional stories for fifteen years They regularly organise festivals and storytelling events
