The book also documents his many struggles with substance abuse, his disenchantment with Hollywood when it failed to take him seriously, the violent deaths of his two brothers, the failure of four of his marriages, a heart attack, the death of a son from a drug overdose, and most importantly, the manner in which his resilient spirit saw him through these challenges and tragedies. It's a revisionist biography which adds significantly to the received wisdom on his life and times, not only through personal interviews but also revelations from two recent books not yet available in English: one written by his daughter Allegra and the other by his ex-wife Christine Kaufmann.
