Mrs Kinder settled herself in the chair across from the children and cracked open the book She adjusted her spectacles ever so slightly then caressed the page with her wrinkled fingers In our world when magic happens outside of a storybook we call it a miracle And miracles are considered so rare and special that lifetimes can go by without so much as a hint of one But there are faraway places where our kind of miracles are as common as blades of grass in an open field In the northern region of one of these worlds in the top far east corner past green forests swamps lakes and even an ocean there lived a young artist named Gabriel This isn't a very good story Casper complained Casper Johanna exclaimed in embarrassment Mrs Kinder laughed That's because I'm not even at the story part yet but it's high time we get started This story doesn't begin the way you think it might and the way most stories do It doesn't begin with a big adventure or a journey or even pirate treasure It starts with a tiny choice one that seems unremarkable at the time but that changes the course of destiny One crisp morning our Gabriel decided to search for firewood and it's with that simple decision that our tale begins **The Atlantic Monthly**, 1909 **Anyhow stories, moral and otherwise** Lucy Clifford, 1882 **Old Forest Tale** D L Courtney, 2025-08-07 Magic was dying Honor was all but an idea in the past Corruption and greed ruled the land Passion was no more than anger and hate Then a royal heir was found An heir no one knew existed An heir of solid muscle courage built in battle and a compassion for his family and fellow elves Magic clung to him and he gave it freely to all like candy in a pocket Passion true passion revived Honor clung to his soul But it was just a spark A simple spark against centuries of hate But flames are born from sparks and fires are born from flames Maybe magic and elves can be saved There in that first meeting of grief a friendship had begun Then over the years a deep connection Finally they had become more much more and shared love often Sebastian looked deeply in Whisper's dark eyes His lips parted and sought hers They were there soft and full They tasted like sunshine She took him deeply and sought every crevice of his lips and mouth He pulled her close She broke away She sat up and with little more than a shake of her shoulders allowed her tunic to fall He caught his breath once more She was beautiful She always was but with the glow of magic her breasts had become firm strong and very tender Her desire hardened on her chest Her skin bronze in the daylight turned darker with the night and pulsed with a scent and feel of longing Whisper leaned over and pulled the vest apart that bonded Sebastian's chest Her long fingers traced every muscle in his chest They lingered on his breast and she leaned down to kiss each and every part of him His mind went blank The only thing he knew now was desire Desire for Whisper He heard rather than felt the thump of his wings against the wind It was a slow hard thump that pushed air down and moved his body up His embrace of Whisper kept her close What remained of their clothing was now spread across a small space of grass just below their undulating bodies Whisper felt the heat rising in her loins Her desire glistened between her legs Her mind saw the moon outline the embrace of their bodies Her wings matched the beat of Sebastian's Soon they neither rose nor fell They hung in the balance naked in the moonlight her legs wrapped around Sebastian's back her pelvis pushed against his body He pulled her closer She mounted him right there and then She guided

his manhood deep inside her Then she ground against him feeling him fill her full The beat of their wings matched the lust of their desires Their breath came in short hungry gasps Their wings trembled in heavy fast beats Whisper s body shook first Sebastian s head thrust back as his whole body tensed in a hard lock around Whisper Both shook violently in a silent scream Then softly very softly they fell back to ground Sebastian lay first Then Whisper curled on his chest She listened for his heartbeat and smiled She was naked in the forest but warm in his embrace Whisper closed her eyes She knew she would not wake until the warm sun began its ascent      More Tales of Sebastian ,1992
