Tales For A Prince:

The Happy Prince and Other Tales Oscar Wilde, 1913 **The Happy Prince** Oscar Wilde, 1913 **The Happy Prince And Other Tales** Oscar Wilde, 2021-04-16

The happy prince is a tale with multiple lessons. On one side it is the critic of the society that can be cruel and heartless and on the other side it is about compassion towards humans. The happy prince is a contemporary fairytale whose plot is surreal and it is placed into a modern society with real problems. Oscar Wilde tried to state in a simple way the virtues and flaws of a person. In all of his fairy tales, he tried to criticize the society which is insensible. The main character knew only about nice things and after that he decided to open his lead heart to everyone in need. When he helped them, he didn't regret the decorations are taken down from him and he keeps on doing noble things with the help of a swallow. The swallow was the proof that everyone can do selfless things even though they would maybe be risking their lives. His love and devotion were rewarded with eternal life. In the fairytale, we can see the prince and the swallow who try to help the ones in need and make them happy while on the other side we can see the powerful people in important positions who do not want to see what is going on in the world. They only see themselves and their goal in life. Oscar Wilde set up a principle of selfishness and selflessness and he took the story to its top when God helped the main heroes of the story. The language in which the fairytale was written is simple even though every single word is wisely picked. Oscar Wilde is the one leading the storytelling and introducing the readers to the plot. The whole fairytale is filled with hidden messages and because of that, The happy prince is a book you should read with a lot of attention.

I like to do all the talking myself. It saves time and prevents arguments. Similar to Hans Christian Andersen's fairy tales but with trademark witticisms, *The Happy Prince and Other Tales* 1888 by Oscar Wilde are children's stories that are a great ride for people of all ages. The collection includes five stories: The Happy Prince, The Nightingale and the Rose, The Selfish Giant, The Devoted Friend, and The Remarkable Rocket. They have inspired a long list of adaptations such as a Bee Gees song, an Orson Welles radio show, and a Christopher Plummer movie.

Oscar Wilde 1854-1900 was an Irish playwright, novelist, essayist, and poet famous for *The Picture of Dorian Gray* and *The Importance of Being Earnest* to name a couple. He was believed to be a homosexual and met a lot of resistance in his life on that account. He died in Paris at the age of 46.
