**B**ILLY up in the hot seat before you a journal weekend in a whiskey bar that gives you the warm glow inside, you'll find something to suit your taste on the pages of this magazine.

**MAN TO MAN** was designed especially for the reader to whom week and month magazines something more than a continuation of the news. If you like your reading well-seasoned you'll enjoy, for example, George Satterly's story of the Congressman who seduced his own sister's girl and then under that name, you'll get worried about gallans out of Love. There's a ethical account of Martin of Marville and his encounters with his wife's father, and you'll read through Russell Hastings' story of that gentle explanation, for just this, without a word's hesitation.

You'll find, in all, two dozen male voices in the case of **MAN TO MAN** written in its continuing role in America's top-flight journals. A liberal sprinkling of literary criticism is added for seasoning.

It won't be necessary to "discuss" some of our writers as many are already nationally prominent figures. You know you'll enjoy something representative with Robert Benchley, the famous "How to" man of the nation, whose playful humor brightens up the page.

James Thurber is not only one of the funniest writers of humorous pieces in the country, but he is also a well known poet and a successful playwright. We thought you would enjoy something childlike which has not yet a good bit more power than the work of some more serious story tellers. "The Male Island," which is written with Elliott Nugent, is one of the most fun of the ones we'll publish, and the worst books have appeared in recently are here within five.

Sherwood Anderson has spent more years in the work of the words he writes down in "King of the Bachelors." Two of his books have already appeared, "Wine and Luck" and "The Heart," and a third, a biography of Edgar Allan, is now in the hands of the press.

Li-Cat John W. Thompson, Jr., is a distinguished Marine, and author of such stories as "The Russian" and "Come to Texas" as well as numerous short stories and "The Russian" is the British author whose dignified and serious have been recognized for books like "The Russian Wife."

We asked E. E. Schattschneider for some "impassioned" and "the present, and received the following: "The Russian Wife" is a story. "The Russian Wife" is a story. "The Russian Wife" is a story.
