Travel Tales Collections: Toilet Stories Michael Brein, Ph.D., 2015-03-18 The Travel Tales Collection Toilet Stories No 8 March 2015 is part of Michael Brein's Collections travel tales series and contains among the best travel stories from Michael's huge collection of travel tales that he has gathered in interviews with nearly 1 750 world travelers and adventurers during his four decades of travel to more than 125 countries throughout the world Travel Tales Collections are groups of very interesting similar travel stories of a kind on a variety of very specific travel subjects themes or countries such as close calls great escapes pickpocketing scams safety and security in travel Paris Morocco Mexico and so on Eventually several hundred Collections on all sorts of specific travel subjects themes and countries will be available on all the major eReaders In the previous issue of Travel Tales Collections No 7 Feb 2015 I included a selection of food and drink experiences that you can have in your travels Therefore it is only fitting after covering food and drink travel stories that we now turn our attention to what inevitably comes next or later namely the subject of toilets in travel After all toilet experiences are an unfortunate but essential aspect of living that like it or no we all must come to terms with whether on the home front or in strange exotic foreign lands Being often beset with culture shock issues almost at every turn especially in third world countries the necessity of dealing with toilets where to find them what to do about them and how to use them even elicits from many travelers nothing less than abject terror Thus for instance when nature calls and you have barely a clue as to what to do about it or where to go well for many it is in the least horribly anxiety provoking and for others nothing less than horrifying and debilitating For in the best of all possible worlds namely in your home where you have your bathroom all set up just as you like it with an ample supply of paper toilet tissue rolls a great functioning sink fresh safe water nearby reading matter in a word you have conveniently all the first world accouterments for dealing with the art and science of defecation fit for a king or queen no less at least in your own private castle on your own

private throne But what if you find yourself in a third world outback where you are bluntly faced with nothing but a bare hole in the ground and with NO paper of any kind anywhere in sight And what if there are piles of human feces and hordes of flies at just about nearly every turn and in every corner You have the stark realization that you are not in Kansas anymore Are you of the proper mindset to deal with all of this Be it as it may there is of course much humor surrounding the subject of toilets in travel and considerable disgust as well In this issue we pull no punches and deal with the subject of toilets overseas head on Pun intended They say that in travel people often ask the same basic sorts of questions over and over again when they meet for the first time Where are you from What do you do Where are you going and on and on It should not be at all surprising therefore that one of the typical morning topics of conversation among travelers in the third world often is however disgusting and revolting this may be and maybe the number one or number two pun intended things travelers talk about together during their early mornings I swear this is true whether they ve had a good dump or not Or Did you have diarrhea again Or Did you drink the water It is about all this crap literally and figuratively there is no escaping it Call it all TMI too much information but it s about what starts you off on a good or a bad day And it IS after all what you really do talk about Some of the toilet stories I ve gathered are truly hilarious and some sad to say are not It s a third world out there and if you are not prepared for it BEWARE The pages in this ebook will make you much more aware But be forewarned this ebook is not for the faint of heart Oh yeah you will laugh your okole Hawaiian for butt off and if you re not quite ready for it it just might dissuade you from really truly roughing it However discouraging you from third world travel is not my purpose rather it is to inform you enlighten you and prepare you somewhat for the inevitable consequences of drinking the ice or water eating unpeeled fruits or veggies eating some street food or crossing that stream with an open sore any of which may have some unpleasant and unintended consequences in store for you My advice to you is this if you are squeamish about toilets in the third world perhaps you should think about making alternate travel plans In any event the travel tales of toilets which follow should help prepare you for such adventures When nature calls you and you have NO where to go or not much of an idea of what you can do about it well you will have earned yourself a place in these very pages **Travelers' Tales Greece** Larry Habegger, Sean O'Reilly, Brian Alexander, 2003 True stories by Paul Theroux Caroline Alexander Lawrence Durrell Patricia Storace Robert D Kaplan Henry Miller and many more Cover [Travelers' Tales Paris](#) James O'Reilly, Sean O'Reilly, Larry Habegger, 2011-12-27 Paris is one city that you should endeavor to know over the course of a lifetime and not just in one or two visits It is the center of the civilized universe and it belongs to everyone even to those who see it only in their dreams The City of Light has bestowed on millions the gift of the incandescent present an image or experience into which all life is condensed and reflected upon for years to come Travelers Tales Paris captures the romance of the world s favorite city through stories that entertain inform and touch the heart John Gregory Dunne reveals the manic pleasures of driving in the city s chaotic traffic Joseph Diedrich and Katya Macklovich explore romantic encounters that could only happen

here Herbert Gold and David Applefield take aim at the nostalgia surrounding The Left Bank one reveling in its literary past the other urging the visitor to reach out to a new modern Paris in the outlying area of Montreuil Tim O Reilly and Coleman Lollar evoke the appeal of unexpected tourist sites and Marcel Laventurier recounts his harrowing escape from the Nazis on a train bound for occupied Paris in a tale you will never forget **Travelers' Tales Alaska** Bill Sherwonit,Andromeda Romano-Lax,Ellen Bielawski,2011-12-27 In Travelers Tales Alaska contemporary adventurers seekers and lifelong Alaskans take you into the Last Frontier for wild and poignant adventures Walk among bears witness the Inupiat taking of a bowhead whale and spend time weathered in on the Bering Sea coast Follow the seasons of commercial fisherfolk in the world s most dangerous seas sail the Inside Passage or flight see with bush pilots famed for high stakes navigation around Denali North America s highest mountain Discover the 49th state s quirky side including an entire town that lives in a single World War II vintage high rise a Hairy Man who roams the Bush and backcountry gourmands who communicate with edible plants Drive the Alaska Highway or head north along the pipeline Haul Road to the Arctic coast not simply to get there but to be there Get the inside view as Alaskans share their stories of learning a new land or guiding tourists through Native culture Whether you choose camping at Wal Mart or casting for grayling on a lake named Paradise whether you travel the Great Land in actuality or in your armchair these stories bring Alaska alive in all its latter day complexity and glory Tales of a Traveler Washington Irving,1894 **v. 2.
