**Voyage to Atlantis** James Watt Mavor,1996 Oceanographic engineer recounts his expeditions to find the fabled land called The lost continent

The New Testament around the World Mariam Kamell Kovalishyn,2025-04-29 As the church continues to expand and strengthen in non Western contexts it is increasingly important for students of the New Testament to be aware of how our global brothers and sisters exegete and apply Scripture Even when we share a grammatical historical approach with others our interpretation of biblical texts is invariably affected by social location and cultural context which influence the questions we ask of the text and how we apply it Western readers can become aware of how our culture influences our interpretation by learning from others from different perspectives including those whose experience may match the original audience more closely than our own This volume ideal as a supplemental textbook for courses in the New Testament brings together distinguished scholars from around the world with perspectives we might not typically encounter and includes some minority voices focused on life within the United States as well Each contributor writes on a biblical book or group of books and together they cover the whole New Testament These authors expose students and pastors in the West to new questions and ways of reading familiar texts The result is an eye opening spiritually enriching experience that will supplement and strengthen our own biblical interpretation

*First and Second Timothy and Titus (Paideia: Commentaries on the New Testament)* Christopher R. Hutson,2019-11-05 Drawing from many parts of the broad Christian tradition this commentary on First and Second Timothy and Titus helps readers gain a stronger understanding of early Christian ministry in the first two centuries Paideia commentaries show how New Testament texts use ancient narrative and rhetorical strategies to form and shape the reader and provide a fresh reading of the biblical texts in light of ancient culture and modern issues Students pastors and other readers will appreciate the historical literary and theological insight offered in this commentary

literature **Egyptomania** Ronald H. Fritze, 2021-02-04 Egyptomania takes us on a historical journey to unearth the Egypt of the imagination a land of strange gods mysterious magic secret knowledge monumental pyramids enigmatic sphinxes and immense wealth Egypt has always exerted a powerful attraction on the Western mind and an array of figures have been drawn to the idea of Egypt Even the practical minded Napoleon dreamed of Egyptian glory and helped open the antique land to explorers Ronald H Fritze goes beyond art and architecture to reveal Egyptomania s impact on religion philosophy historical study literature travel science and popular culture All those who remain captivated by the ongoing phenomenon of Egyptomania will revel in the mysteries uncovered in this book **Majestic-12: Secret Project of Science Fiction** Tim

Voigt, 2025-03-24 Majestic 12 is an epic legend of UFOs It refers to a secret panel that studies UFOs hidden deep in the US government Here in this book we will discuss this epic legend **Encyclopedia of Lesbian and Gay Histories and**

**Cultures** Bonnie Zimmerman, George Haggerty, 2021-06-13 A rich heritage that needs to be documented Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavors It covers a long history and a dynamic and ever changing present while opening up the academic profession to new scholarship and new ways of thinking A groundbreaking new approach While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written for and by a widerange of people Intended as a reference for students and scholars in all fields as well as for the general public the encyclopedia is written in user friendly language At the same time it maintains a high level of scholarship that incorporates both passion and objectivity It is written by some of the most famous names in the field as well as new scholars whose research continues to advance gender studies into the future

*Luke the Priest* Dr Rick Strelan, 2013-05-28 This book focuses on the authority and status of the author of Luke Acts What authority did he have to write a Gospel to interpret the Jewish Scriptures and traditions of Israel to interpret the Jesus traditions and to update the narrative with a second volume with its interpretation of Paul and the other apostles who appear in the Acts narrative Rick Strelan constructs the author as a Jewish Priest examining such issues as writing and orality authority and tradition and the status and role of priests The analysis is set within the context of scholarly opinion about the author the intended audience and other related issues *Global Dance Cultures in the 1970s and 1980s* Flora Pitrolo, Marko

Zubak, 2022-03-28 This book explores some of disco s other lives which thrived between the 1970s and the 1980s from oil boom Nigeria to socialist Czechoslovakia from post colonial India to war torn Lebanon It charts the translation of disco as a cultural form into musical geo political ideological and sociological landscapes that fall outside of its original conditions of production and reception capturing the variety of scenes contexts and reasons for which disco took on diverse dimensions in

its global journey With its deep repercussions in visual culture gender politics and successive forms of popular music art fashion and style disco as a musical genre and dance culture is exemplary of how a subversive marginal scene that of queer and Black New York undergrounds in the early 1970s turned into a mainstream cultural industry As it exploded atomised and travelled disco served a number of different agendas its aesthetic rootedness in ideas of pleasure transgression and escapism and its formal malleability constructed around a four on the floor beat allowed it to permeate a variety of local scenes for whom the meaning of disco shifted sometimes in unexpected and radical ways      *Encyclopedia of Reincarnation and Karma* Norman C. McClelland, 2018-10-15 Featuring over 1 200 topical entries arranged alphabetically this encyclopedia provides diverse and detailed coverage of the related subjects of reincarnation and karma Its in depth examination ranges from ancient beliefs to those of the present incorporating all relevant world cultures A series of broad thematic entries cover foundational aspects while over a thousand highly focused entries deal with various societies and organizations which support the concepts of reincarnation and karma specific religious groups sects and associations key individuals both historic and modern and related beliefs concepts and practices      **The Nosferatu Story** Rolf Giesen, 2025-06-12 Director F W Murnau s *Nosferatu A Symphony of Horror* made in 1921 after the devastating Spanish Flu pandemic has become the ultimate cult classic among horror film buffs around the world For years there was much speculation about the production background the filmmakers and the star German actor Max Schreck This greatly expanded new edition based upon rare sources and years of dedicated research tells the complete story of how a group of occultists established a leading film company that would produce a momentous series of horror movies Along the way other classic German fantasy silents such as *The Golem* *The Cabinet of Dr Caligari* and *Metropolis* are discussed Featured in this edition are photographs documents and interviews including one with Dacre Stoker the great grandnephew of Dracula author Bram Stoker      **Iconographic Exegesis of the Hebrew Bible / Old Testament** Izaak Jozias de Hulster, Brent A. Strawn, Ryan P. Bonfiglio, 2015-10-28 Iconographic exegesis combines the study of biblical texts exegesis with the study of ancient expressions of visual art iconography Studying ancient visual art that is contemporary with the documents of the Old Testament gives remarkable insight not only on the meaning and historical context of the biblical text but also because it facilitates greater understanding of how the ancient authors and audiences saw thought and made sense of the world Iconography thus merits close attention as another avenue that can lead to a more nuanced and more complete understanding of the biblical text Each chapter of this book provides an exegesis of a particular biblical text or theme The book is organized around the tripartite structure of the Hebrew Bible and demonstrates that iconographical exegesis is pertinent to every nook and cranny of the Bible Within the three parts there is special emphasis on Genesis Isaiah and the Psalms in order to make the book attractive for classes that deal with one or more of these books and might therefore include an iconographic perspective In addition to connecting with a major issue in biblical interpretation theology or visual studies each chapter will end with one or two exercises directing

the reader student to comparable texts and images enabling them to apply what was described in the chapter for themselves This approach enables beginners as well as advanced readers to integrate iconography into their toolbox of exegetical skills

*Literature Connections to World History K6* Lynda G. Adamson,1998-04-15 Identifying thousands of historical fiction novels biographies history trade books CD ROMs and videotapes help you locate world history resources for students Each is divided into two sections In the first part titles are listed according to grade levels within specific geographic areas and time periods They are further organized by product type Both books cover world history from Prehistory and the Ancient World to 54 B C to the modern era Other chapters include Roman Empire to A D 476 Europe and the British Isles Africa and South Africa Australia New Zealand Pacific Islands and Antarctica Canada China India Tibet and Burma Israel and Arab Countries Japan Vietnam Korea Cambodia and Thailand and South and Central America and the Caribbean The second section has an annotated bibliography that describes each title and includes publication information and awards The focus is on books published since 1990 and all have received at least one favorab **The Beginning of Wisdom** Leon Kass,2003-05-20 Imagine that you could really understand the Bible that you could read analyze and discuss the book of Genesis not as a

compositional mystery a cultural relic or a linguistic puzzle palace or even as religious doctrine but as a philosophical classic precisely in the same way that a truth seeking reader would study Plato or Nietzsche Imagine that you could be led in your study by one of America s preeminent intellectuals and that he would help you to an understanding of the book that is deeper than you d ever dreamed possible that he would reveal line by line verse by verse the incredible riches of this illuminating text one of the very few that actually deserve to be called seminal Imagine that you could get from Genesis the beginning of wisdom The Beginning of Wisdom is a hugely learned book that like Genesis itself falls naturally into two sections The first shows how the universal history described in the first eleven chapters of Genesis from creation to the tower of Babel conveys in the words of Leon Kass a coherent anthropology a general teaching about human nature that rivals anything produced by the great philosophers Serving also as a mirror for the reader s self discovery these stories offer profound insights into the problematic character of human reason speech freedom sexual desire the love of the beautiful pride shame anger guilt and death Something as seemingly innocuous as the monotonous recounting of the ten generations from Adam to Noah yields a powerful lesson in the way in which humanity encounters its own mortality In the story of the tower of Babel are deep understandings of the ambiguous power of speech reason and the arts the hazards of unity and aloneness the meaning of the city and its quest for self sufficiency and man s desire for fame immortality and apotheosis and the disasters these necessarily cause Against this background of human failure Part Two of The Beginning of Wisdom explores the struggles to launch a new human way informed by the special Abrahamic covenant with the divine that might address the problems and avoid the disasters of humankind s natural propensities Close eloquent and brilliant readings of the lives and educations of Abraham Isaac Jacob and Jacob s sons reveal eternal wisdom about marriage parenting brotherhood education justice political and moral leadership and of course the ultimate question How to live a good life Connecting the two parts is the book s overarching philosophical and pedagogical structure how understanding the dangers and accepting the limits of human powers can open the door to a superior way of life not only for a solitary man of virtue but for an entire community a life devoted to righteousness and holiness This extraordinary book finally shows Genesis as a coherent whole beginning with the creation of the natural world and ending with the creation of a nation that hearkens to the awe inspiring summons to godliness A unique and ambitious commentary a remarkably readable literary exegesis and philosophical companion The Beginning of Wisdom is one of the most important books in decades on perhaps the most important and surely the most frequently read book of all time
