**Tales of Men and Ghosts** Edith Wharton, 2016-01-25 THE BOLTED DOOR I HUBERT GRANICE pacing the length of his pleasant lamp lit library paused to compare his watch with the clock on the chimney piece Three minutes to eight In exactly three minutes Mr Peter Ascham of the eminent legal firm of Ascham and Pettilow would have his punctual hand on the door bell of the flat It was a comfort to reflect that Ascham was so punctual the suspense was beginning to make his host nervous And the sound of the door bell would be the beginning of the end after that there d be no going back by God no going back Granice resumed his pacing Each time he reached the end of the room opposite the door he caught his reflection in the Florentine mirror above the fine old walnut credence he had picked up at Dijon saw himself spare quick moving carefully brushed and dressed but furrowed gray about the temples with a stoop which he corrected by a spasmodic straightening of the shoulders whenever a glass confronted him a tired middle aged man baffled beaten worn out

sensationalist and macabre aspects of slavery from salacious sexual ties between white masters and black women slaves to the physical abuse and torture of black bodies to the supposedly exotic nature of African spiritual practices Because the realities of slavery are largely absent from these tours Miles reveals how they continue to feed problematic Old South narratives and erase the hard truths of the Civil War era In an incisive and engaging work Miles uses these troubling cases to shine light on how we feel about the Civil War and race and how the ghosts of the past are still with us     **Staging the**
