Forgotten Tales of New York Melanie Zimmer, 2009-08-28 Learn the Empire State's little known history from bone stealing dogs to the world's largest puzzle by the author of *Curiosities of the Finger Lakes* Few New Yorkers remember the night when firemen in tuxedos and top hats were dragged from a ball to extinguish a Waterloo blaze or the typographical error that reported Theodore Roosevelt taking a bath instead of his presidential oath Still fewer remember Cephas Bennett a missionary from Utica and printer of the first Burmese Bible or H L Mencken's humorous article on the history of the bathtub still quoted today as factual although entirely invented Seasoned storyteller Melanie Zimmer seamlessly weaves together these hard to believe yet entirely true tales From the monster of Seneca Lake to the man who inspired the American icon Uncle Sam discover the lost secrets of the Empire State Includes photos [Vermont](#) Walter Hill Crockett, 1923 **The New Werner Twentieth Century Edition of the Encyclopaedia Britannica**, 1905 **Catalog of Copyright Entries. The Story of a Summer Cecilia Pauline Cleveland, 2019-12-16 In *The Story of a Summer* Cecilia Pauline Cleveland masterfully weaves a narrative that vividly portrays the ephemeral beauty of youth and the bittersweet nature of nostalgia Set against the backdrop of a picturesque rural landscape the novel interlaces lyrical prose with rich imagery inviting readers to immerse themselves in the transformative experiences of summer The book reflects elements of early 20th century realism exploring themes of identity friendship and the passage of time while capturing the essence of an idyllic season defined by both joy and sorrow Through its resonance with the natural world Cleveland's work evokes a profound sense of place and memory Cecilia Pauline Cleveland an author known for her keen insights into human emotions and relationships drew inspiration for this novel from her own childhood experiences spent in the countryside Her unique perspective as a woman navigating a male dominated literary landscape in the late 1800s and early 1900s allowed her to explore themes often overlooked by her contemporaries Cleveland's body of work reflects her dedication to crafting narratives that resonate with authenticity and depth I highly recommend *The Story of a Summer* for readers seeking an evocative exploration of the complexities of youth and the bittersweet nature of memories Cleveland's ability to envelop readers in the warmth of summer while simultaneously hinting at the inevitable changes of life makes this novel a timeless and enriching experience
