have pursued them through the ages Monsters spirits fantastic beings and supernatural creatures haunt the folklore and popular culture of Japan Broadly labeled y kai they appear in many forms from tengu mountain goblins and kappa water sprites to shape shifting kitsune foxes and long tongued ceiling lickers Popular today in anime manga film and video games many y kai originated in local legends folktales and regional ghost stories The Book of Y kai invites readers to examine how people create transmit and collect folklore and how they make sense of the mysteries in the world around them Medieval Studies and the Ghost Stories of M. R. James Patrick J. Murphy, 2017-02-28 Montague Rhodes James authored some of the most highly regarded ghost stories of all time classics such as Oh Whistle and I ll Come to You My Lad that have been adapted many times over for radio and television and have never gone out of print But while James is best known as a fiction writer and storyteller he was also a provost of King s College Cambridge and Eton College and a legendary and influential scholar whose pioneering work in the study of biblical texts and medieval manuscripts art and architecture is still relevant today In Medieval Studies and the Ghost Stories of M R James Patrick J Murphy argues that these twin careers are inextricably linked James s research not only informed his fiction but also reflected his anxieties about the nature of academic life and explored the delicate divide between professional university men and erratic hobbyists or antiquaries Murphy shows how detailed attention to the scholarly inspirations behind James s fiction provides considerable insight into a formative moment in medieval studies as well as into James s methods as a master stylist of understated horror During his life James often claimed that his stories were mere entertainments pleasing distractions from a life largely defined by academic discipline and restraint and readers over the years have been content to take him at his word This intriguing volume however convincingly proves otherwise **Witchfinder Omnibus Volume 2** Mike Mignola, Chris Roberson, 2024-08-13 Collect the occult adventures of Sir Edward Grey otherwise known as Her Majesty s Witchfinder Discover a nest of vampires brave a technological gate to another realm and track down the truth behind Jack the Ripper in this collection of three intense adventures of Sir Edward Grey As the Queen s personal Witchfinder Grey continues to pursue the occult goings on in London and beyond But this time the events he encounters and the things he learns will lead him to question his very future Complete your Witchfinder omnibus library with this second volume featuring the writing of Mike Mignola and Chris Roberson with art from Ben Stenbeck D Israeli and Christopher Mitten and stunning colors from Michelle Madsen and Dave Stewart Collects Witchfinder volumes 4 6 **AB Bookman's Weekly** , 1988-05 **Essential Science Fiction Novels - Volume 2** Charlotte Perkins Gilman, Abraham Merritt, Edward Bellamy, David Lindsay, H. G. Wells, 2020-10-27 Welcome to the Essential Science Fiction Novels book series where you will find a selection of endless tales about the incredible technologies of the future time travel and its consequences adventures in interstellar spaceships strange post apocalyptic worlds dangerous alien invasions and everything else the authors dreamed of or feared for the future of humanity For this book the literary critic August Nemo has chosen the 5 novels by authors who created memorable stories

that shaped the foundations of Science Fiction This book contains the following novels Herland Charlotte Perkins Gilman Looking Backward Edward Bellamy The Moon Pool Abraham Merritt A Voyage to Arcturus David Lindsay The Island of Doctor Moreau H G Wells If you appreciate good books be sure to check out the other Tacet Books titles **Ghost Stories** Henry James,2008 Henry James was arguably the greatest practitioner of what has been called the psychological ghost story This edition includes all ten of his tales in this genre *Sex and Death in Victorian Literature* Regina Barreca,2016-07-27 Sex and Death in Victorian Literature is a landmark collection of 13 previously unpublished essays on nineteenth century British poetry fiction and prose by the most important English and American scholars in the field The volume observes the subject from an unusually wide variety of viewpoints including historical sociological psychoanalytic feminist and mythological There are works central and peripheral to the traditional Victorian canon discussed in Sex and Death as such the essays present an unprecedented perspective on the shifts and movements of nineteenth century literature By grouping the essays under the aegis of sexuality and morality the volume allows the authors to explore the most important aspects of the works they discuss **Aliens in the Home** Sabine Bussing,1987-04-03 Within the broad field of contemporary literature horror fiction has only recently developed into a genre which modern scholars may legitimately regard as being worthy of critical attention This comparative study provides ample proof that horror fiction can be more profound and revealing than many literary critics imagined The only study of its kind this book offers detailed critical analysis of the child in horror fiction with special emphasis on themes relating to the child s social position within the family and its war against parents or authority figures as well as its various functions as victim evil innocent and monster Special attention is given to the child s consistent stylized portrayal in horror fiction which forms a sharp contrast to the appearance of children both in other genres and in real life The Cambridge History of the Gothic: Volume 2, Gothic in the Nineteenth Century Catherine Spooner,2020-08-06 This second volume of The Cambridge History of the Gothic provides a rigorous account of the Gothic in British American and Continental European culture from the Romantic period through to the Victorian fin de si cle Here leading scholars in the fields of literature theatre architecture and the history of science and popular entertainment explore the Gothic in its numerous interdisciplinary forms and guises as well as across a range of different international contexts As much a cultural history of the Gothic in this period as an account of the ways in which the Gothic mode has participated in the formative historical events of modernity the volume offers fresh perspectives on familiar themes while also drawing new critical attention to a range of hitherto overlooked concerns From Romanticism to Penny Bloods Dickens and even the railway system the volume provides a compelling and comprehensive study of nineteenth century Gothic culture The New Cambridge Bibliography of English Literature: Volume 4, 1900-1950 George Watson,I. R. Willison,1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation

and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries
