compassion the confluence of things that conspire to form the unique nature of what it is to be and to have a brother Brother One of our eternal and quintessential terms of endearment Tobias Wolff writes The good luck of having a brother is partly the luck of having stories to tell David Kaczynski brother of The Unabomber I ll start with the premise that a brother shows you who you are and also who you are not He s an image of the self at one remove You are a we with your brother before you are a we with any other Mikal Gilmore refers to brotherhood as a fidelity born of blood We ve heard that the apple doesn t fall far from the tree But where do the apples fall in relation to each other And are we in fact our brothers keepers after all These stories address those questions and more and are like the relationships full of intimacy and pain joy and rage burdens and blessings humor and humanity
