Talking About Homosexuality Holy Conversations A Congregational Resource:

Talking about Homosexuality Karen P. Oliveto, Kelly Turney, Traci C. West, 2005 Talking about Homosexuality is the first book in the new series Holy Conversations A Study Tool for Theological Reflection around Debates in the Church that Considers Scripture Tradition Reason and Experience Over the course of six sessions through conversation study and exercises participants reflect on their Christian beliefs and personal experiences guided by the categories of the Wesleyan quadrilateral scripture tradition experience and reason The book includes a Facilitator's Guide BOOK JACKET *Out of Exodus* Darryl W. Stephens, Michael I. Alleman, Andrea Brown, Ruth A. Daugherty, Mary Merriman, 2018-05-02 Biblical and progressive Mainline and charismatic Faithful and questioning This book is not what you think it is The story of the Exodus is told in parallel with testimonies sermons and personal reflections from a congregation in Lancaster Pennsylvania challenging the reader to a journey of faith Along the way it becomes clear that open and affirming ministry transcends LGBTQIA inclusion It is also about race relations poverty generational change divorce immigration and any other human created barrier to loving God and neighbor Tools for the journey Finding a new voice amid profound social change is a difficult and vitally important task Many congregations and entire denominations are in the process of figuring out how to express a new voice of faith particularly in our understanding of sexuality and gender Christians are experiencing nothing less than a holy disruption caused by the Spirit among us The book concludes with a discussion of challenges to community and ministry Helpful appendices provide congregational resources and discussion questions for group study The stories in this book include experiences of and with persons in many denominational settings Roman Catholic Unitarian Universalist Presbyterian Church in Taiwan Metropolitan Community Church United Church of Christ United Brethren Church of the Brethren Society of Friends Quakers and United Methodist This is truly an ecumenical journey *Holy Conversations* Gil Rendle, Alice Mann, 2003-11-01 Planning can be challenging in the contemporary congregation where people share a common faith and values but may have very different preferences and needs Much of the literature on congregational planning presents it as a technical process the leader serves as the chief problem solver and the goal is finding the solution to the problem Popular Alban consultants and authors Gil Rendle and Alice Mann cast planning as a holy conversation a congregational discernment process about three critical questions Who are we What has God called us to do or be Who is our neighbor Rendle and Mann equip congregational leaders with a broad and creative range of ideas pathways processes and tools for planning By choosing the resources that best suit their needs and context congregations will shape their own strengthening transforming holy conversation They will find a path that is faithful to their identity and their relationship with God Resource materials are available to purchasers of the book E mail resource material rowman com for more information *Defending Same-sex Marriage: Our family values : same-sex marriage and religion* Mark Philip Strasser, Traci C. West, Martin Dupuis, William A. Thompson, 2007 Places the struggle for marriage rights in the context of other American civil rights movements advocating

legal and religious recognition of same sex marriage while educating the public about what gay marriage does and does not mean for the future of the institution of marriage *Defending Same-Sex Marriage* Martin Dupuis, William A.

Thompson, Traci C. West, 2006-12-30 Today we find ourselves at a crossroads of two powerful unrelenting currents that are completely at odds with one another The movement for legal recognition of same sex unions has gone beyond the separate but equal status of civil unions to demand equality in marriage for all couples Progress is being made on many fronts mayoral action clergy officiating at same sex marriage and union ceremonies state legislative responses and street protests to name a few Meanwhile opposition to same sex marriage has also been gathering strength The struggle is sure to continue unabated for some time to come pitting those who believe in the traditional definition of marriage as a union between a man and a woman and who seek to codify this belief in the U S Constitution against those who find the basis for marriage between two loving committed individuals not only in the history of our civil rights legislation and court decisions but also in scripture and sacred religious traditions Those who believe in extending to same sex couples the 1 049 rights conferred by marriage as well as the supportive embrace of religious communities seek to strengthen the institution of marriage by making it inclusive and by passing laws and broadening doctrines to uphold marriage rights for all couples This three volume set clarifies the legal political religious cultural and social ramifications of same sex marriage for gay and lesbian couples and their families and friends and for the general public interested in the future of civil rights in the United States **Exile Or Embrace?**

Mahan Siler, 2005 Offers fresh insight about keeping the focus on people and relationships in ways that are pastorally sensitive politically astute justice oriented and Gospel empowered **Queering Christianity** Robert E. Shore-Goss, Thomas Bohache, Patrick S. Cheng, Mona West, 2013-06-25 A fascinating read for anyone seeking to understand the conflict between Christianity and LGBTQI individuals this book is as its editors proclaim a fearlessly wide vision of queer Christians finding a place within Christianity and claiming their authentic experience and voice Through essays by noted lesbian gay bisexual transgender queer or questioning and intersex LGBTQI religion scholars this important compilation summarizes the history and current status of LGBTQI theology exploring its relationship to the policies practices and theology of traditional Christianity Contributors contrast the radically inclusive thinking of LGBTQI theology with the exclusivity practiced by many Christian churches explaining the reasoning of each and clarifying contentious issues At the same time the book highlights ways in which queer theology and practice benefit Christian congregations Writing from the perspective of grassroots Christian LGBTQI movements many of the contributors draw upon their own experiences They provide graphic examples of the effects exclusion has on individuals congregations and denominations and also share examples of inclusion and its effects Equally important the work creates the basis for dialogue between traditional churches and followers of LGBTQI theology offering practical suggestions for Christian congregations that wish to put aside exclusionary policies and practices **This Assembly of Believers** Bryan Cones, 2020-11-30 Among the symbols with which the liturgy deals none is more important

than this assembly of believers This claim made in the 1970s forces the local church to consider those within its congregation and recognise the gifts and challenges of difference within the church community In This Assembly of Believers Bryan Cones seeks to take seriously the pastoral context of a congregation recognising the physical ability gender and sexuality of those who make up the congregation Starting each chapter with their lived experience Cones poses important questions of the liturgy in light of these experiences before realigning the liturgy to demonstrate the positive theological significance of the marginalised within the congregation Minutes Presbyterian Church (U.S.A.). General Assembly,1996 *Liturgical Resources 1* Episcopal Church. Standing Commission on Liturgy and Music,2013 At its 77th General Convention held in Indianapolis in July 2012 The Episcopal Church authorized the use of Liturgical Resources I I Will Bless You and You Will Be A Blessing resources including a rite for blessing the lifelong covenants of same sex couples Through the process of committee hearings and debate in the Houses of Deputies and Bishops the resources presented to the Convention were perfected before the final vote was taken in each House At its first meeting of the new triennium in November 2012 the Standing Commission on Liturgy and Music reviewed the changes made by General Convention and certified this final version Church Publishing will make the full approved resource available as quickly as possible in both print and electronic versions in English Spanish and French Church Publishing is honored to work with the General Convention Office and the Standing Commission on Liturgy and Music to provide this important new resource for the church *You Can't Ask That!* Christian Piatt ,2020-10-06 Have you ever had a burning question that seemed off limits or inappropriate to ask about Christianity the Bible or Jesus You Can t Ask That gathers 50 of the most provocative challenging or otherwise taboo questions that many of us have wondered about but few have actually asked Edited by Christian Piatt who once had a bible thrown at his head for asking too many questions during a Sunday school class this collection considers nothing off limits and takes the hard questions seriously Responses from theology professors pastors lay leaders and other progressive Christians range from the personal to the profound and from sarcastic to deeply touching By offering multiple perspectives to those banned questions readers can craft their own answers Better yet they ll understand that questioning faith is not taboo it s the foundation of a strong and growing faith Ethnography as a Pastoral Practice Mary Clark Moschella,2023-02-28 Ethnography is a way to tap the deep undercurrents in a community through a process of gathering analyzing and sharing data Fully revised and updated for this second edition Ethnography as a Pastoral Practice has quickly become the go to textbook for those in or training for ministry who want to discover how they can use ethnography to help them hear the stories of those to whom they minister Setting forth the case for ethnography s ability to galvanize aspirations and heal communal hurt this book presents the helpful pastoral practice of ethnography in a clear step by step manner and includes many compelling case studies of transformational leadership Ethnography as a Pastoral Practice invites us to open our eyes ears and hearts to those in our congregations **Inverting the Norm: Racially-Mixed Congregations in a**

Segregationist State Galjoen Press,2007-12-17 Inverting the Norm describes how a few Christian congregations in apartheid South Africa achieved racial integration despite the state's legal enforcement of segregation The book analyzes how this paradoxical racial integration alongside state segregation relates to historical shifts in global and national norms

Conversations about Divine Mystery Stephen Burns,HyeRan Kim-Cragg,2023 Here in a fitting recognition of a life of scholarship is an esteemed collection of writing by liturgical and homiletical scholars honoring and engaging with Gail Ramshaw's work and extending it to new questions contexts and concerns The volume is organized around themes of her work lectionary patterns prayer forms and theological horizons *Theology and Down Syndrome* Amos Yong,2007 While the struggle for disability rights has transformed secular ethics and public policy traditional Christian teaching has been slow to account for disability in its theological imagination Amos Yong crafts both a theology of disability and a theology informed by disability The result is a Christian theology that not only connects with our present social medical and scientific understanding of disability but also one that empowers a set of best practices appropriate to our late modern context

Publisher description *The Anglican Communion at a Crossroads* Christopher Craig Brittain,Andrew McKinnon,2018-04-17 Worldwide debates over issues of sexuality and gender have come to a head in recent years in mainline and evangelical churches with the Anglican Communion a worldwide network of churches that trace their practice to Canterbury and claim some 85 million members among the most publicly visible sites of contestation This thorough and compelling analysis of the conflicts within the Communion argues that they are symptoms of long simmering issues that must be addressed when Anglican bishops and archbishops meet at the 2020 Lambeth Conference To many the disagreements over such issues as LGBTQ clergy same sex marriage and women's ordination suggest an insurmountable crisis facing Anglicans one that may ultimately end the Communion Christopher Craig Brittain and Andrew McKinnon argue otherwise Drawing on extensive empirical research and interviews with influential Anglican leaders they show how these struggles stem from a complex interplay of factors notably the forces and effects of globalization new communications technology and previous decisions made by the Communion In clarifying both the theological arguments and social forces at play as the bishops and primates of the Anglican Communion prepare to set the Church's course for the next decade Brittain and McKinnon combine sociological and theological methodologies to provide both a nuanced portrait of Anglicanism in a transnational age and a primer on the issues with which the Lambeth Conference will wrestle Insightful informative and thought provoking *The Anglican Communion at a Crossroads* is an invaluable resource for understanding the debates taking place in this worldwide community Those interested in Anglicanism sexuality and the Christian tradition the sociology of religion and the evolving relationship between World Christianity and churches in the Global North will find it indispensable **Sikhs in Europe** Kristina Myrvold,2016-04-01 Sikhs in Europe are neglected in the study of religions and migrant groups previous studies have focused on the history culture and religious practices of Sikhs in North America and the UK but few have focused on

Sikhs in continental Europe This book fills this gap presenting new data and analyses of Sikhs in eleven European countries examining the broader European presence of Sikhs in new and old host countries Focusing on patterns of migration transmission of traditions identity construction and cultural representations from the perspective of local Sikh communities this book explores important patterns of settlement institution building and cultural transmission among European Sikhs

Piety and Plurality Glenn Thomas Miller, 2014-06-09 I began studying American theological education in the 1970s and Piety and Plurality is the third of three studies In Piety and Intellect I examined the colonial and nineteenth century search for a form of theological education that was true to the church's confessional traditions and responsible to the intellectual demands of the age In Piety and Profession I described how that model was modified under the impact of the new biblical criticism and by the American belief in professionalism In this volume I have tried to bring the story up to date Unfortunately I did not find one unifying theme for the period Rather theological education seemed to move forward on a number of different levels each with its own story Here I have tried to capture some of the dynamics of this movement and to indicate how theological educators have struggled with the plurality in their midst In the process theological education has learned to live with its contradictions and problems As important as the stories are however there is also the story of the schools struggles to live in the midst of a constant financial crisis that checked development at every stage **Coming Out in**

Christianity Melissa M. Wilcox, 2003-10-03 For many Christians homosexuality is an issue that is often presented as a matter of us straight Christians versus them or worse as an isolated behavior that is a question of behavior somehow not an intrinsic part of the identities of gays and lesbians Discussion of the issue has become so heated that it threatens to create a yawning chasm within several mainline denominations This book examines this conflict from the perspective of a group of lesbian gay bisexual and transgendered Christians It explores the life histories of these individuals and their current beliefs cultural backgrounds and community influences to determine what helped each forge an identity as both gay and Christian
