Expressions Ian Stuart-Hamilton,2004 Addressing an important aspect of social communication for people with Asperger Syndrome who use direct precise language and take things literally this dictionary of idiomatic expressions aims to dispel any confusion that arises from the misinterpretation of language This book provides explanations of over 5 000 idiomatic expressions plus a guide to their politeness level Each expression is accompanied by a clear explanation of its meaning and when and how it might be used The expressions are taken from British and American English with some Australian expressions included as well Although the book is primarily intended for people with Asperger Syndrome it will be useful for anyone who finds problems understanding idiomatic and colloquial English An essential resource and an informative read this dictionary will assist in a wide range of situations

*Lineages of the Feminine* Emmanuel Todd,2023-06-06 We are experiencing an anthropological revolution We see it in the MeToo movement in the denunciation of femicide and in an increasingly vociferous critique of patriarchal domination Why this sudden rise of an antagonistic conception of the relationship between men and women at the very moment when progress is accelerating and when the goals of first and second wave feminism seem on the verge of being achieved In this book the anthropologist and historian Emmanuel Todd while not underestimating the importance of crucial inequalities that remain argues that the emancipation of women has essentially already taken place but that it has given rise to new tensions and contradictions As women gain more freedom they also gain access to traditional male social pathologies economic anxiety the disorientation of anomie and individual and class resentment But because they remain women with the ability to bear children their burden as human beings although richer is now more difficult to bear than that of men In order to understand our current condition Todd retraces the evolution of the male female relationship through the long history of the human species from the emergence of Homo sapiens a hundred thousand years ago to the present He also conducts a broad empirical study of the convergence between men and women today and of the differences that still separate them in education in employment and in relation to longevity suicide and homicide electoral behaviour and racism He explores the relations between women s liberation and other changes in contemporary societies such as the collapse of religion the decline of industry the decline of homophobia the rise of bisexuality and the transgender phenomenon and the decline in a sense of the collective life And he shows how and why Western countries and especially the Anglo American world Scandinavia and France are in their new feminist revolution perhaps less universal than they think

*The Good News about Conflict* Jenell Paris,2016-07-01 Conflict over homosexuality in Christian churches is only intensifying We can do better We have to do better The stakes are too high to do otherwise Conflicts are difficult and ugly but the good news reaches even here It is possible to have healthy conflict to disagree and struggle together in ways that make us better and that make the church stronger By looking deeply into the nature of religious conflict we can cultivate practices and values that will mature our abilities as peacemakers and

strengthen our faith and our churches     Collier's ,1914     *Journey to the Edge of the Woods* Christine Graef,2015-04-20  
The prophet Jeremiah mourning his people in the city of Zion spoke of the balm that could heal them He foresaw the physician and he asked Why then is not the health of the daughter of my people recovered The message of Jesus has been in North America for centuries yet past history with the first nations of the land has left many native people thinking they have to choose either to be an Indian or to believe in Jesus Jeremiah said The harvest is past the summer is ended and we are not saved How then do we bring the balm of Gilead to the most oppressed group on the continent where women and children are suffering the highest rates of violence When Jesus forgave a prostitute when he offered living waters to the woman at the well who had six failed relationships and when he healed a crippled woman he showed us how he would build his church from the brokenhearted among all people Journey to the Edge of the Woods visits women sharing concern over the degradation of our daughters sisters mothers and friends in a world of intensifying confusion of the creation of male and female identities
