The Gods Have Landed James R. Lewis,1995-03-09 The Gods Have Landed is a comprehensive account of the religious dimension of the UFO flying saucer experience It examines the religious meanings attached to UFOs by the larger society as well as specific movements that claim inspiration from Space Brothers and other extra terrestrial sources It addresses the religious dimension of the phenomenon of alien abductions particularly the impact of extra terrestrial life on Christian theology Of special interest are the surveys of primary and secondary materials that make this book the indispensable reference on the subject **When Prophecy Never Fails** Diana G. Tumminia,2005-08-11 Of the approximately fifty percent of Americans who believe in UFOs a fraction are devotees of one of the numerous UFO based new religious movements The Unarius Academy of Science is one of the oldest of these groups Founded in 1954 by Cosmic Visionaries Ruth and Ernest Norman also known respectively as Archangels Uriel and Raphael Unarius is devoted to teaching the all encompassing Uranian Science Combining elements of pop psychology new age thought and science fiction the Science asks its students to channel messages from the infinitely intelligent Space Brothers and to heal themselves through the practice of past life therapy Unarians await the arrival of spaceships manned by the Space Brothers that will bring to earth advanced intergalactic technology that will benefit all humankind Tumminia has been conducting research on Unarius for over a decade attending meetings interviewing members and studying official Unarian literature and videos Here she offers an inside look at this fascinating movement She pays particular attention to the ways Unarians adapt when their prophecies and particularly their prediction that the Space Brothers would land in 2001 don t materialize This is the first in depth study of any UFO religion **Channeling** Joel Bjorling,2019-06-19 Originally published in 1992 Channeling is a comprehensive bibliography on the subject of channeling The book defines channeling as any message received or conveyed from transcendent entities and covers material on the history of channeling those that have claimed to transcend death contact with UFOs and contemporary channeling groups The book acts as a research guide and seeks to outline the historical roots of channeling explaining its major teachings and considers its significance as a spiritual movement It provides sources from books booklets articles and ephemeral material and offers a comprehensive list of both primary and secondary materials related to channeling the bibliography takes the most diverse and useful sources of the time This volume although published almost 30 years ago still provides a unique and insightful collection for academics of religion in particular those researching spiritualism and the occult **Routledge Library Editions: Spiritualism** Various,2022-07-30 The volumes in this set originally published between 1974 and 1992 draw together research by leading academics in spiritualism and provide a rigorous examination of related key issues The collection examines spirituality from a broad range of disciplines from the spirituality in the Christian church spirituality in Africa and Afro American religions as well as examining the areas of channeling mediumship and spirit possession In this 3 volume set there are two incredibly unique and insightful bibliographic source

collections examining both primary and secondary source listings across the subject of spiritualism and one volume providing field research into spirituality in the Christian church and in the occult This collection is an incredibly useful tool for researchers examining the broad area of spiritualism and will be of interest to researchers academics and students of anthropology religion and sociology **Catalog of Copyright Entries.
