of apostolic life dedicated to the New Evangelization in the Catholic Church Engaged in the concrete work of evangelization in flourishing Christian communities the authors draw together the mind of the Church and the heart of the missionary Taking lessons from the four Gospels the encyclicals of popes the writings of cardinals and the accounts of everyday Christians who have sought to communicate their faith through all kinds of joys sorrows and questions this book delivers fundamental theological principles as well as practical down to earth counsel for Christians seeking to share Christ with their families co workers and neighbors What emerges is a picture of evangelization that is eminently personal emphasizing attunement to the heart of Jesus Where heart speaks to heart the word received is to go forth share what you have heard and encourage others to partake in this inmost heartbeat of the world the New Life in Christ
