The Gulf And The Search For Strategic Stability:

The Gulf And The Search For Strategic Stability Anthony H. Cordesman, 2019-09-06 This book provides an extensive military and strategic analysis of the Gulf and the Arabian Peninsula assessing the regional military balance the internal security and stability of each Gulf nation the evolution of each nation's forces from 1969 into 1983 and the impact of defense spending and Western and Soviet bloc arms sales in the region Comprehensive statistics are provided on arms transfers to each country since 1969 and on the forces each nation is capable of deploying in the Gulf *The Gulf and the Search for Strategic Stability* Anthony H Cordesman, 2021-06-02 This book provides an extensive military and strategic analysis of the Gulf and the Arabian Peninsula assessing the regional military balance the internal security and stability of each Gulf nation the evolution of each nation's forces from 1969 into 1983 and the impact of defense spending and Western and Soviet bloc arms sales in the region Comprehensive statistics are provided on arms transfers to each country since 1969 and on the forces each nation is capable of deploying in the Gulf *Politics of Confrontation* Babak Ganji, 2006-04-28 Did the United States know more than it acknowledges about growing unrest under the Shah in mid 1970s Iran Have historians of American Iranian relations focused too narrowly on prevailing historical theory and personal recollection In a period of escalating tension between the United States and Iran what can the two nations history of conflict tell us about their diplomatic future Covering Carter's policy from the end of the Shah's reign to the revolution under Ayatollah Khomeini Babak Ganji explores the nature of their perpetually antagonistic relations and the mistrust and misunderstanding that fuels it *Politics of Confrontation* is a penetrating critique of international relations theory within the historical framework of US Iranian relations as well as a thorough examination of American policy towards Iran It is the first in depth look at documents seized by revolutionary students from the American Embassy during the infamous hostage crisis and debunks the myth that US officials were unaware of the nature of opposition to the Shah or of Soviet influence on senior clerics These findings are an essential addition to the discourse of foreign policy theorists and invaluable for historians of the US Iran and the Cold War

Kuwait's Foreign Policy Abdul-Reda Assiri, 2019-04-10 This book assesses the dynamics of Kuwaiti foreign policy since 1961 and explores the role of Kuwait as a small state in international politics It analyzes the impact of ideology religion and value systems on Kuwaiti foreign policy as well as the impact of domestic forces on political actors United States Foreign Policy and the Middle East/North Africa Sanford R. Silverburg, Bernard Reich, 2015-07-16 This bibliography first published in 1990 is a result of a quarter century professional and personal relationship between two academics interested in Middle East studies The comprehensive bibliography consists of western primarily English language sources published through 1988 and early 1989 concerning foreign policy toward the Middle East and North Africa during the twentieth century Included are materials that deal directly with the topic material that has appeared in published form ie books monographs essays and articles Also included are some non published items most importantly American and British doctoral dissertations and master

s theses Bricks, Sand, and Marble: U.S. Army Corps of Engineers Construction in the Mediterranean and Middle East, 1947-1991 (Paperback) Donita M. Moorhus, Robert P. Grathwol, CMH Pub 45 2 1 U S Army in the Cold War Traces the activities of American military engineers from the reconstruction that began in Greece after World War II through the construction of air bases in North Africa the massive building program in Saudi Arabia and support for the liberation of Kuwait in 1991 The history provides a background of the present role and position of the United States in that vital region

Imperial Alibis Stephen Roskamm Shalom,1993 Lucidly argued and carefully documented Stephen Shalom s study of the pretexts for intervention is an invaluable guide to the recent past and unlikely future Noam Chomsky author of Necessary Illusions Lightning Print On Demand Title Defending Arabia J.E. Peterson,2016-08-05 The defence of the Gulf has been a vital strategic concern for close on 100 years The British first became involved in the Gulf to protect the sea routes to India and with the development of international air routes the Gulf became a crucial staging post This book first published in 1986 surveys the strategic issues in the defence of the Gulf from the earliest British involvement up to the Iraq Iran war It examines the British retreat from the Gulf and the imperial vestiges that were left behind It considers the way in which American interests in the Gulf came to replace British interests and it analyses how American foreign policy has responded to this additional responsibility The book also investigates the regional concerns of Gulf security and the intra regional conflicts that have erupted in the Iraq Iran war *The Iran-Iraq War* Efraim Karsh,1989-07-03 The Iran Iraq War which ended in the summer of 1988 a month short of its eighth anniversary is undoubtedly the Third World s longest and bloodiest conflict in a half century As such its lessons and implications extend beyond the geographical confines of the Middle East Bringing together Israeli American and European specialists from the fields of Middle East history international relations strategy and economics this book offers the first comprehensive post bellum analysis of the impact and implications of the Iran Iraq war The book starts with an examination of the war s impact on the domestic and foreign affairs of the two belligerents continues with a discussion of the political ramifications of the war in both the regional and the global spheres and concludes by analysing the economic military and strategic implications American Alliance Policy in the Middle East, 1945-1992 John P. Miglietta,2002-01-01 American Alliance Policy in the Middle East provides a stimulating new look at a U S Cold War foreign policy gripped by anticommunist paranoia Through case studies of America s relationships with Iran Israel and Saudi Arabia John P Miglietta reveals how an overriding fear of global communism led to the overcommitment of U S security resources to the region The perceived need to preserve Middle East stability rendered U S policy ineffectual and unresponsive to changing local conditions drastically altering the patron client paradigm to the detriment of American strategic interests This superb analysis of American foreign policymaking illustrates how Cold War anticommunist ideology prevented the evolution of traditional military alliances into broader based relationships and perpetuated authoritarian regimes that mired the Middle East in a cycle of poverty and despotism *The USSR and Iraq* Oles M. Smolansky,1991 In

The USSR and Iraq the first major study of Soviet Iraqi relations Oles M Smolansky examines the history of the relationship between these two countries during the past twenty years and attempts to dispel the misconception that the Soviet Union has enjoyed undue influence over Iraq Drawing on ten years of research in Western Arab and Soviet sources Smolansky analyzes the complex issues at the center of Soviet Iraqi relations from 1968 through 1988 including the nationalization of the oil industry the Kurdish question the Iraqi Communist Party the affairs of the Persian Arabian Gulf and ultimately the war between Iraq and Iran Smolansky concludes that Iraq has never been under the dominant influence of Moscow nor has it even been a loyal Soviet ally In fact Iraq has managed to reap major benefits from the relationship without losing its autonomy or sacrificing its major interests The author discusses the Soviet Union and Iraq within the larger framework of the nature of influence relationships between great and small powers [Air University Library Index to Military Periodicals](#),1992

The Kingdom of Saudi Arabia David E Long,Sebastian Maisel,2010-09-26 This second edition has been thoroughly revised and updated and includes new chapters on tradition and modernity and on Islam and society It features extensive analysis of the substantial political economic and social changes that have taken place in the past ten years including 9 11 the U S war on terror the Saudi war on terror oil pricing and technological advancements *Middle Eastern Monarchies* Anna Sunik,2020-08-03 The monograph explores the dynamics of ingroup identity in the foreign policy making of Middle Eastern monarchies from the evolution of the regional system after the World Wars until the present Utilising an innovative theoretical framework that combines Foreign Policy Analysis in the context of authoritarian regimes and Social Identity Theory the book theorizes the origins and inner workings of a monarchic peace among hereditary regimes in the Middle East including the Gulf monarchies as well as Jordan and Morocco While the phenomenon of the democratic peace is well established in political science this book argues that like the examined monarchic peace it is in fact a sub case of a broader Similar Political Systems Peace SPSP The theory posits that monarchies do not wage war against each other because they recognize each other as members of the same ingroup which allows for other mechanisms of conflict resolution behaviour that is allowed against outsiders might be prohibited against members of the same club or family The theory is illustrated with numerous case studies that look at overall regional dynamics as well as four crucial cases of monarchic interstate conflict Bahraini Qatari relations the Saudi Hashemite rivalry and the relations between Kuwait and Iraq and Iran and the UAE This in depth account of the foreign policies and community connecting Middle Eastern monarchies will be of interest to readers in international relations authoritarianism studies Middle East and Persian Gulf politics **The Atlantic Alliance and the Middle East** Joseph I Coffey,Gianni Bonvicinid,2016-01-01 Annotation This work attempts to define the interests of members of the Atlantic Alliance with regard to the Middle East to indicate some of the threats that may arise to outline the most important military and political factors and describe the institutional structures relationships and procedures which will also affect decisions on the use of force **Western Strategic Interests in Saudi Arabia** Phdirect Anthony

Cordesman,2020-07-26 Saudi Arabia's strategic relations with the West involve clear and direct common strategic interests in the Gulf and in the Near East While they compete in terms of trade and oil prices they share a common commitment to private enterprise and to maintaining a stable balance of world trade Saudi Arabia often differs with given Western states in terms of specific strategic interests and tactics but these differences are rarely significant enough to prevent close cooperation Even the differences over the Arab Israeli peace issue are largely ones of timing and tactics Saudi Arabia must preserve friendly relations with Syria and is vulnerable to attacks by Arab radicals and Iran It has also differed with the US over the specific approach that should be taken to achieving an Arab Israeli peace settlement but it has consistently pushed for a peace settlement within the Arab world This book first published in 1987 analyses the interrelations between Western and Saudi strategic concerns and argues forcibly that pressure from the Israeli lobby within US domestic politics must not be allowed to interfere within the proper provisioning of the Saudi armed forces especially the air force

Iran, Iraq, and the Legacies of War L. Potter,G. Sick,2004-11-12 Iraq and Iran are the two most important states in the Gulf region given their population size military strength and the potential threat they pose to other states in the region This book enhances our understanding of the troubled relationship between Iran and Iraq placing it in historical context examining the rapid deterioration leading to the eight year war that started in 1980 and the effects of that trauma and exploring the ongoing issues that currently bedevil bilateral relations The authors cover such central issues as how each side has sought to use opposition groups in the other state to weaken it ethnic divisions the role of outside states especially the United States and a fascinating account of how the war affected a generation of Iraqis and Iranians The role of the U S in the region and how U S policy has affected the two states are also considered This book provides a basis for understanding the background of a tumultuous relationship that is entering a new era

The United States And Saudi Arabia David E. Long,2019-07-11 U S Saudi relations have been marked by ambivalence since their inception over 50 years ago The Arab Israeli conflict the division between buyer and seller of oil the superpower small state dichotomy and the divergence of cultures traditions and perceptions have all contributed to the anomalies that have marked the relationship between the two countries although mutual interest has over time outweighed mutual antagonism Dr Long examines the major factors affecting their association economic commercial military and political as well as oil related factors and develops the thesis that each has evolved a unique internal dynamic and an existence independent of the others It is primarily in times of crisis that the factors have overlapped in the minds of decision makers Saudi and American alike The author argues that a knowledge of the development of each individual element is crucial for understanding the intricacies of current U S Saudi relations

Bricks, Sand, and Marble Robert P. Grathwol,Donita M. Moorhus,2009 Synopsis The work of the U S Army Corps of Engineers in military construction in the Mediterranean Basin and the Middle East created the infrastructure that made the U S policies of deterrence and containment possible This work included not only construction in support of the U S Army and U S Air Force

in these areas but also work executed on behalf of Middle East allies paid for with funds they provided This book traces the activities of American military engineers from the reconstruction that began in Greece after World War II through the construction of air bases in North Africa the massive building program in Saudi Arabia and support for the liberation of Kuwait in 1991 The history provides a background of the present role and position of the United States in that vital region

Saudi Arabian Foreign Relations René Rieger, 2016-08-12 In recent decades Saudi Arabia has committed itself to playing the part of mediator in intra national and international conflicts in the greater Middle East region Examples include the two Saudi introduced Arab Peace Initiatives of 1982 and 2002 mediation attempts between Algeria and Morocco in the West Sahara conflict Iraq and Syria during the Iran Iraq War and Iran and Iraq towards the end of their military conflict Saudi Arabian Foreign Relations provides a new insight to current studies on Saudi foreign policy and mediation in international relations The book offers a detailed analysis of Saudi Arabia s intermediary role in the intra state conflicts in Yemen Lebanon and the Palestinian territories and the successes and limitations of each Additionally it provides an updated examination of Saudi Arabia s role towards resolution of the larger Arab Israeli conflict Saudi Arabian Foreign Relations contributes to a far deeper understanding of Saudi foreign policy and therefore will be of great interest to students and scholars of Middle East Politics and International Relations

While this might not be the The Gulf And The Search For Strategic Stability full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Gulf And The Search For Strategic Stability eBooks, including some popular titles.

FAQs About The Gulf And The Search For Strategic Stability Books

What is a The Gulf And The Search For Strategic Stability PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Gulf And The Search For Strategic Stability PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Gulf And The Search For Strategic Stability PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Gulf And The Search For Strategic Stability PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Gulf And The Search For Strategic Stability PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
