Triomf Marlene van Niekerk, 2015-05-19 This is the story of the four inhabitants of 127 Martha Street in the poor white suburb of Triomf Living on the ruins of old Sophiatown the freehold township razed to the ground as a so called black spot they await with trepidation their country's first democratic elections It is a date that coincides fatefully with the fortieth birthday of Lambert the oversexed misfit son of the house There is also Treppie master of misrule and family metaphysician Pop the angel of peace teetering on the brink of the grave and Mol the materfamilias in her eternal housecoat Pestered on a daily basis by nosy neighbours National Party canvassers and Jehovah's Witnesses defenceless against the big city towering over them like a vengeful dinosaur they often resort to quoting to each other the only consolation that they know we still have each other and a roof over our heads TRIOMF relentlessly probes Afrikaner history and politics revealing the bizarre

and tragic effect that apartheid had on exactly the white underclass who were most supposed to benefit It is also a seriously funny investigation of the human endeavour to make sense of life even under the most abject of circumstances

United States. Bureau of Prisons,Gerald A. Collins,Mark S. Richmond,1972 Community based small residential centers have been visualized as a bridge back to the community a sound concept for many but not all offenders To assume that an offender will be so grateful for the opportunity to remain in the community that they will automatically and immediately become productive responsible and law abiding cannot be anticipated The success of a community residential center depends upon a carefully conceived program resolutely and skillfully administered The following pages will be devoted to the principles and details of planning and operating community residential centers Special attention is given to the importance of a careful definition of the purposes of a center before planning begins **The Juvenile Justice and Delinquency Prevention**
