*The Haunted and the Haunters, Or the House and the Brain (Classic Reprint)* Edward Bulwer Lytton Baron Lytton, 2017-07-22 Excerpt from *The Haunted and the Haunters or the House and the Brain* The story which follows has always seemed to me absolutely unique At the present day the occult is becoming almost the fashion in fiction and many hundreds of stories have appeared in which a prominent part is played by hypnism by magic of various sorts and even by direct apparitions It has come in my way to read very many of such things yet I can think of none so gruesome none so thoroughly calculated to make your flesh creep as the fat boy remarked in *Pickwick* as this which was written more than half a century ago when the spirit of the times was so utterly different I am surprised to hear that it has not hitherto been published in full in America The shortened form which is more commonly seen appears to have been a later recension by the author who thought that the latter part of his tale bore too close a resemblance to the plot which he later worked up more fully in *A Strange Way Here* however we have it in its original and unabridged form and I think that all readers will agree that the part which was later omitted adds greatly to the interest of the story About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

*The Haunted and the Haunters* Edward Bulwer Lytton Lytton, Bar, 2019-06-04 Lytton has presented a wicked and malicious persona that fulfills all demonic characteristics This It is a fantastic epic romance is referred to as a ghost story as it is written in gothic style The mysterious exciting actions and shadowy atmosphere successfully ensnare reader's attention
