The Hell Candidate GRAHAM. MASTERTON, 2018-04-02 I opened my eyes I wasn't dreaming I was awake And right beside me Jennifer was panting and moaning and bouncing up and down on the bed I stared harder into the darkness chilled with fright and against the dim gray light that filtered in through the closely drawn drapes I saw an outline on top of Jennifer that made me cram my hand into my mouth to stop myself from screaming It was a huge bulky outline as dark as sin But its eyes glowed slanted and orange like the eyes of a wolf and on its head were two curved horns It stank of stale incense and animal sweat and it was grunting with grotesque delight When businessman Hunter Peal decided to run for President of the USA they said he didn't have a chance in Hell but they were wrong Initially he seemed pleasant and moderate but then everything started to change As his popularity grew so did his ability to influence people sending them weeping to their knees and seeing sights which no cameras could capture And what of his opponents and the strange accidents which befell them Indeed Hunter Peal was not the man he once was one of the denizens of Hell has made a pact with him and on his inauguration all Hell will be let loose Literally Telos Publishing is proud to present a superb new edition of this long out of print 1981 novel A horrific tale of lust and greed and power from one of the genre's greatest writers Graham Masterton If you like horror novels the kind that make you catch your breath at certain parts can change your perception of the temperature in the room and leave you with impressions that can't be unseen for days if ever then this is your book It really is an absolute masterpiece and in my opinion one of the weirdest most twisted horror tales ever told where the message Be careful who you vote for really makes a hell of a lot of sense Cat DeSpira Retrobitch The Hell Candidate Graham Masterton, Thomas Luke, 1980 The Candidate Samuel L. Popkin, 2012-03-15 There are two winners in every presidential election campaign The inevitable winner when it begins such as Rudy Giuliani or Hillary Clinton in 2008 and the inevitable victor after it ends In The Candidate Samuel Popkin explains the difference between them While plenty of political insiders have written about specific campaigns only Popkin drawing on a lifetime of presidential campaign experience and extensive research analyzes what it takes to win the next campaign The road to the White House is littered with geniuses of campaigns past Why doesn't practice make perfect Why is experience such a poor teacher Why are the same mistakes replayed again and again Based on detailed analyses of the winners and losers of the last 60 years of presidential campaigns Popkin explains how challengers get to the White House how incumbents stay there for a second term and how successors hold power for their party He looks in particular at three campaigns George H W Bush's muddled campaign for reelection in 1992 Al Gore's flawed campaign for the presidency in 2000 and Hillary Clinton's mismanaged effort to win the nomination in 2008 and uncovers the lessons that Ronald Reagan can teach future candidates about teamwork Throughout Popkin illuminates the intricacies of presidential campaigns the small details and the big picture the surprising mistakes and the predictable miscues in a riveting account of what goes on inside a campaign and what makes one succeed while another fails As Popkin

shows a vision for the future and the audacity to run are only the first steps in a candidate's run for office. To truly survive the most grueling show on earth, presidential hopefuls have to understand the critical factors that Popkin reveals in *The Candidate*. In the wake of the 2012 election, Popkin's analysis looks remarkably prescient. Obama ran a strong incumbent-oriented campaign but made typical incumbent mistakes as evidenced by his weak performance in the first debate. The Romney campaign correctly put power in the hands of a strong campaign manager but it couldn't overcome the weaknesses of the candidate.

The GQ Candidate Keli Goff, 2012-05-29 The literary debut of political analyst Keli Goff is a savvy tale inspired by the 2008 presidential election. Luke Cooper, one of the first black and by virtue of adoption Jewish governors in US history, decides that it is time to run for President. It is a behind-the-scenes look at what happens in the lives of candidates and the people closest to them when the cameras aren't rolling. In addition to telling the story of his campaign, the novel also follows the lives of Luke's tight-knit circle of friends and reveals how his amazing race changes their lives forever.

The Candidate's Daughter: An Elizabeth McClaine Thriller Catherine Lea, 2024-03-14 Absolutely spellbinding, completely unputdownable. Karen Dionne, author of *THE MARSH KING'S DAUGHTER*, Politics, greed, and money in a thrilling book you will not want to put down. The Expert Reviewers: Twenty-two-year-old car thief Kelsey Money has always been one of the boys. She can take down guys bigger than herself in the ring, strip a car down to a bucket of bolts, and drive better than anyone she knows. Kelsey's solid, trustworthy, dependable. But lately, something's changed. Ever since Matt's drug-fueled brother Lionel came back on the scene, Kelsey feels like she's become something else, dispensable. So when she discovers Matt's plan to kidnap the disabled daughter of a Senate candidate and that child will never go home alive, Kelsey goes against everything she's ever believed in and makes the decision to save her. It's a decision she knows she could regret. Because when Matt discovers she's betrayed him, she'll be next to die.

The Candidate's Daughter and its sequels *Child of the State* and *A Stolen Woman* are additions to the great action-packed, character-driven mystery and suspense thrillers for readers of Elle Gray, Stacy Willingham, and Sarah A. Denzil Warning. Some language may offend. What readers are saying about *The Candidate's Daughter*: A terrific ticking clock thriller, political suspense of the best kind, makes you want to stop and read it all over again. A Word from the Author: First of all, thank you for your interest in my books. You'll find in many of my books I include characters with intellectual or physical challenges. Added to this, I wanted to write twisty crime thrillers with complex characters and surprise endings, so I created the Elizabeth McClaine thriller series. So who is Elizabeth McClaine? Strong-minded Elizabeth uses her connections to the local government in her home town of Cleveland, Ohio, to find justice for those who need it. The stories involve kidnappings and heists, corporate greed, and murders, and storylines that will keep the pages turning onto the wee hours. What gives these stories heart? Real, believable characters, from Elizabeth herself to Holly, the cherished only daughter, born with Down syndrome. Having loved and cared for a disabled daughter myself, I know the joy and the challenges of caring for and loving a disabled child can bring. Therefore, from book 1, Holly brings Elizabeth a real sense of

purpose and a desire to help those in need The books in the series are sequential but each is a standalone so you can read them out of order The Elizabeth McClaine Series so far Includes BOOK 1 THE CANDIDATE S DAUGHTER BOOK 2 CHILD OF THE STATE BOOK 3 A STOLEN WOMAN THE ELIZABETH MCCLAINE BOX SET OF THRILLERS Standalone Titles by Catherine Lea LAST SEEN LEAVING A THRILLER DROPPING DEAD IN DELBY RISH A VERY BRITISH MURDER MYSTERY Satire THE CONTESTANT A SERIAL KILLER THRILLER If you have any questions you ll find my page on Goodreads Again my most heartfelt thanks for your interest Catherine

African American Statewide Candidates in the New South Charles S. Bullock, Susan A. MacManus, Jeremy D. Mayer, Mark J. Rozell, 2022 African American candidates for state and federal office in the United States face unique challenges given the nation's complicated racial dynamics To date there have been only two elected African American governors in the country the first elected in Virginia in 1989 and the second in Massachusetts in 2006 While Black candidates running statewide have been elected in increasing numbers in many areas of the country there have been fewer successes in the US South The relative lack of success in the South for Black candidates is puzzling given that as a percentage of the population the South has the highest concentration of African American citizens This book examines the campaigns of Black statewide candidates in the South to untangle the factors that led to their electoral successes as well as the factors that continue to stymie positive electoral results Looking at broader regional demographic and political trends the authors project that the South is on the threshold of a major breakthrough for African American statewide candidates who will have a substantial role in not only fundamentally changing the political dynamics of the region but the nation as well This change will be driven not only by Black candidates and voters but a rising regional coalition of racial minority and white voters who are increasingly willing to vote for Black candidates
