The Heros Failure In The Tragedy Of Odysseus A Revisionist Analysis

Arthur James Wells

The Heros Failure In The Tragedy Of Odysseus A Revisionist Analysis:

The Hero's Failure in the Tragedy of Odysseus Fidel Fajardo-Acosta,1990 This revisionist analysis of Odysseus demonstrates what the author sees as Homer's condemnation of the heroic world's values and its exaltation of the hero

The Poetics of Failure in Ancient Greece Stamatia Dova,2020-04-13 The Poetics of Failure in Ancient Greece offers an innovative approach to archaic and classical Greek literature by focusing on an original and rather unexplored topic Through close readings of epic lyric and tragic poetry the book engages into a thorough discourse on error loss and inadequacy as a personal and collective experience Stamatia Dova revisits key passages from the Iliad and the Odyssey the Homeric Hymn to Aphrodite Pindar's epinician odes Euripides Herakles and other texts to identify a poetics of failure that encompasses gods heroes athletes and citizens alike From Odysseus shortcomings as a captain in the Odyssey to the defeat of anonymous wrestlers at the 460 B C E Olympics in Pindar this study examines failure from a mythological literary and historical perspective Mindful of ancient Greek society's emphasis on honor and shame Dova's in depth analysis also sheds light on cultural responses to failure as well as on its preservation in societal memory as in the case of Phrynichos The Fall of Miletos in 493 B C E Athens Engaging for both scholars and students this book is key reading for those interested in how ancient Greek literary paradigms tried to answer the question of how and why we fail

Globalism in the Middle Ages and the Early Modern Age Albrecht Classen,2023-09-05 Although it is fashionable among modernists to claim that globalism emerged only since ca 1800 the opposite can well be documented through careful comparative and transdisciplinary studies as this volume demonstrates offering a wide range of innovative perspectives on often neglected literary philosophical historical or medical documents Texts images ideas knowledge and objects migrated throughout the world already in the pre modern world even if the quantitative level compared to the modern world might have been different In fact by means of translations and trade for instance global connections were established and maintained over the centuries Archetypal motifs developed in many literatures indicate how much pre modern people actually shared But we also discover hard core facts of global economic exchange import of exotic medicine and on another level intensive intellectual debates on religious issues Literary evidence serves best to expose the extent to which contacts with people in foreign countries were imaginable often desirable and at times feared of course The pre modern world was much more on the move and reached out to distant lands out of curiosity economic interests and political and military concerns Diplomats crisscrossed the continents and artists poets and craftsmen traveled widely We can identify for instance both the Vikings and the Arabs as global players long before the rise of modern globalism so this volume promises to rewrite many of our traditional notions about pre modern worldviews economic conditions and the literary sharing on a global level as perhaps best expressed by the genre of the fable

Homer's The Odyssey Harold Bloom,2007 The second of the two great epic poems attributed to Homer The Odyssey takes place after the Trojan War and tells the story of Odysseus's voyage home to

Ithaca and his wife Penelope Odysseus's journey is a perilous one filled with precarious adventures and strange mythical creatures Supported by numerous full length essays this updated volume offers various critical approaches to exploring this powerful tale of magic and heroism **The Return of Ulysses** Edith Hall, 2008-01-30 Whether they focus on the bewitching song of the Sirens his cunning escape from the cave of the terrifying one eyed Cyclops or the vengeful slaying of the suitors of his beautiful wife Penelope the stirring adventures of Ulysses Odysseus are amongst the most durable in human culture The picaresque return of the wandering pirate king is one of the most popular texts of all time crossing East West divides and inspiring poets and film makers worldwide But why over three thousand years has the Odyssey's appeal proved so remarkably resilient and long lasting In her much praised book Edith Hall explains the enduring fascination of Homer's epic in terms of its extraordinary susceptibility to adaptation Not only has the story reflected a myriad of different agendas but from the tragedies of classical Athens to modern detective fiction film travelogue and opera it has seemed perhaps uniquely fertile in generating new artistic forms Cultural texts as diverse as Joyce's Ulysses Suzanne Vega's Calypso Monteverdi's Il Ritorno d Ulisse in Patria the Coen Brothers O Brother Where Art Thou Daniel Vigne's Le Retour de Martin Guerre and Anthony Minghella's Cold Mountain all show that Odysseus is truly a versatile hero His travels across the wine dark Aegean are journeys not just into the mind of one of the most brilliantly creative of all the ancient Greek writers They are as much a voyage beyond the boundaries of a narrative which can plausibly lay claim to being the quintessential global phenomenon

Performance, Iconography, Reception Martin Revermann, Peter Wilson, 2008-08-14 Performance Reception Iconography assembles twenty three papers from an international group of scholars who engage with and develop the seminal work of Oliver Taplin Oliver Taplin has for over three decades been at the forefront of innovation in the study of Greek literature and of the Greek theatre tragic and comic in particular The studies in this volume centre on three key areas the performance of Greek literature the interactions between literature and the visual realm of iconography and the reception and appropriation of Greek literature and of Greek culture more widely in subsequent historical periods Paul's Offer of Leniency (2 Cor 10:1) Donald Dale Walker, 2002 Originally presented as the author's thesis Ph D University of Chicago 1998 *Deep Comedy* Peter J. Leithart, 2006 In this short but stimulating work Peter Leithart draws upon insights from history theology philosophy and literature to connect two of the most glorious and unique truths of Christianity its hopeful eschatology and its doctrine of a dynamic personal Trinity First Leithart shows that the biblical view of history is essentially comic and hopeful in contrast to the classical Greco Roman view which is essentially and irredeemably tragic Then he develops the same point by examining Greek philosophy and its descendants including postmodernism in contrast to orthodox Trinitarian theology Finally he shows how the tragic and comic worldviews have been reflected in literature with discussions of Greek epics and two Shakespearean plays The result is a tour through three thousand years of intellectual history that celebrates the living power of orthodoxy **Fantasy in the Grotto: Otherworldly Adventures in Classical**

Chinese Literature Timothy Wai Keung Chan, 2025-02-20 In a fourth century tale two farmers get lost in a pleasure grotto and unwittingly sever their fragile ties with the mortal world Surprisingly this simple cautionary fantasy spawned a complex literary tradition The narrative instability of the tale was part of its snowballing appeal Early in the tale s journey through literary history the girls met by the farmers morphed into female entertainers Daoist priestesses and spiritual transcendents This malleability offered a wealth of artistic possibilities The feature of time dilation and its associated dangers was also to become a flexible literary instrument and a defining feature of grotto fantasy literature

Homer and the Dual Model of the Tragic Yoav Rinon, 2008 A probing and much needed examination of the tragic as a concept distinct from tragedy as a genre

Ancient Necropolitics , 2025-01-27 This is the first collection of essays approaching aspects of Greek antiquity and its reception through necropolitics It discovers traces of necropolitics in the unburied and maltreated corpses of the Homeric epics it follows the manifestations of necropower in Greek tragedy historiography and biography and it delves into torture capital punishment and non normative burials in the ancient Greek world It contributes to the debate much of which is only available in modern Greek on recent archaeological evidence notably the iron bound individuals discovered in the Athenian suburb of Phaleron and includes a captivating exploration of necropolitics in Yorgos Lanthimos s Greek tragedy inspired cinema

The Classical Review , 1992

Adaptations of Roman Epic in Medieval Ireland John R. Harris, 1998 This text examines side by side and through close textual analysis the medieval adaptations of Vergil Lucan and Statius from Latin into Irish Gaelic
