supernatural and the grotesque *A Daughter of the Gods* 1916 *The Phantom of the Opera* 1925 *The Magician* 1926 and *Seven Footprints to Satan* 1929 were among the unusual and startling films containing story elements that went far beyond the realm of highly unlikely Using surviving documentation and their combined expertise the authors catalog and discuss these departures from the norm in this encyclopedic guide to American horror science fiction and fantasy in the years from 1913 through 1929

[Migrants, Immigration and Diversity in Twentieth-century Northern Ireland](#) Jack Crangle,2023-01-01 Addressing questions about what it means to be British or Irish in the twenty first century this book focuses its attention on twentieth century Northern Ireland and demonstrates how the fragmented and disparate nature of national identity shaped and continues to shape responses to social issues such as immigration Immigrants moved to Northern Ireland in their thousands during the twentieth century continuing to do so even during three decades of the Troubles a violent and bloody conflict that cost over 3 600 lives Foregrounding the everyday lived experiences of settlers in this region this ground breaking book comparatively examines the perspectives of Italian Indian Chinese and Vietnamese migrants in Northern Ireland outlining the specific challenges of migrating to this small intensely divided part of the UK The book explores whether it was possible for migrants and minorities to remain neutral within an intensely politicised society and how internal divisions affected the identity and belonging of later generations An analysis of diversity and immigration within this divided society enhances our understanding of the forces that can shape conceptions of national insiders and

outsiders not just in the UK and Ireland but across the world It provokes and addresses a range of questions about how conceptions of nationality race culture and ethnicity have intersected to shape attitudes towards migrants In doing so the book invites scholars to embrace a more diverse four nation approach to UK immigration studies making it an essential read for all those interested in the history of migration in the UK
