The Living Word Volume 1 Scripture Myth:

The Living Words-Volume 1 Jeff Benner,2008 Reading a translation of any book is just not the same as reading it in its original language and is adequately stated in the phrase lost in the translation Whenever a text is translated from one language to another it loses some of its flavor and substance The problem is compounded by the fact that a language is tied to the culture that uses that language When the text is read by a culture different from the one it is written in it loses its cultural context A Biblical example of this can be found in the Hebrew word tsur which is translated as a rock He only is my rock and my salvation he is my defence I shall not be greatly moved Psalm 62 2 KJV What is a rock and how does it apply to God To us it may mean solid heavy or hard but the cultural meaning of the word tsur is a high place in the rocks where one runs to for refuge and defense a place of salvation The Living Words is an in depth study into the Ancient Hebrew vocabulary and culture of the Bible replacing the flavor and substance that has been removed from us **Bible Myths, and Their**

Parallels in Other Religions Thomas William Doane,1884 *Bible Myths* T. W. Doane,1882 *Bible Myths and Their Parallels in Other Religions* Thomas William Doane,2007-03-01 American author THOMAS WILLIAM DOANE 1852 1885 is considered one of the most significant contributors to the Freethought movement which held the view that belief should be based on the epistemology of scientific and logical laws rather than on faith In support of this philosophy Doane undertook extensive research delving into the parallels between Christianity and preexisting religions from around the world ultimately meaning to show the difference between eternal truths both spiritual and scientific and fable Here in a work first published in 1882 he takes a methodical stroll through each of the most popular Biblical myths from both the Old and New Testaments including the Flood the Exodus Samson the Star of Bethlehem baptism and the temptation of Christ By providing copious evidence of the preexistence of the morals and indeed associated details of each as well as thorough bibliographic information the fruit of Doane s labor is a fascinating survey of world religions and a compelling critique of the originality of Christian dogma *Church Doctrine, Volume 1* Paul C. McGlasson,2013-08-02 The present volume is the first in a five volume study of church doctrine The multivolume set will cover the major parts of church doctrine Canon God Creation Reconciliation and Redemption This first volume begins with an introduction on why doctrine matters which stresses the ecumenical global and above all biblical horizons of church doctrine as a primary expression of Christian witness The purpose of this volume is to begin a search for an alternative to the many theologies available on the religious left and the religious right Where doctrine is absent the church is held captive to ideology the same is as true among conservatives as it is among liberals The present work is an attempt to struggle toward the meaning of orthodoxy in church doctrine an orthodoxy that is never merely a given but which always has to be sought and found again and again in each new generation of the church Church doctrine is not a luxury but a necessity for the living community of faith by which its witness in word and deed is tested against the one true measure of Christ the risen Lord *The Living Word of God* Ben Witherington

W. Doane,2022-11-13 In Bible Myths and their Parallels in Other Religions T W Doane embarks on a meticulous examination of biblical narratives alongside parallel myths found in various world religions Doane employs a comparative methodology that intertwines literary analysis with anthropological insights unveiling the remarkable similarities and shared themes among sacred texts Through a critical lens he dissects well known biblical stories positioning them within a broader mythological framework to reveal archetypal motifs prevalent across cultures This work stands out in the context of 19th century scholarship marked by an increasing interest in the intersection of religion and myth and reflects the era s burgeoning critical attitudes toward traditional religious beliefs T W Doane was a pioneering figure in the study of religious mythology whose own background in theology and skepticism of established dogmas shaped his perspective His academic journey through various religious texts led him to question the uniqueness of biblical stories seeking to highlight their narrative similarities with other religious traditions This exploration not only showcases his scholarship but also represents the broader intellectual climate of the time which encouraged a reexamination of religious texts in light of contemporary thought I highly recommend Bible Myths and their Parallels in Other Religions to scholars and lay readers alike offering valuable insights into the complexities of religious narratives Doane s thorough approach invites readers to transcend conventional interpretations and appreciate the deep interconnectedness of human storytelling making this book a significant contribution to the fields of religious studies and mythology **Ancient Egypt - Light Of The World, Volume 1** Gerald Massey,2014-05-26 No one ever understood the mythology and Ritual of Ancient Egypt so well as Gerald Massey since the time of the Ancient Philosophers of Egypt This book is one of the best when it comes down to Egyptian mythology occultism and interpretation It s a standard work no one wants to miss Contents Sign Language And Mythology As Primitive Modes Of Representation Totemism Tattoo And Fetishism As Forms Of Sign Language Elemental And Ancestral Spirits Or The Gods And The Glorified Egyptian Book Of The Dead And The Mysteries Of Amenta The Sign Language Of Astronomical Mythology Egyptian Wisdom The Drowning Of The Dragon The Sign Language Of Astronomical Mythology Part II Horus Of The Double Horizon The Making Of Amenta The Irish Amenta The Upper Mount Of Glory Egyptian Wisdom And The Hebrew Genesis The Egyptian Wisdom In Other Jewish Writings *The Living Word* Dr. Toh Eng Kiong (Peter),2023-05-30 No About
