The Lovers And The Loved:

The Book of the Lover and the Beloved Ramon Llull,1923 Poems for Lovers Loving & Being Loved , The lover's replies to [L. Housman's] An Englishwoman's love letters Laurence Housman,1901 Love I. Dilman,2016-01-13 The book is concerned with questions about love questions about its many forms strands and aspects and the relation in which they stand to each other It is concerned with the way different aspects of sexual love conflict with each other with the way self regard and self interest can corrupt love and with spiritual love and its difficulties It seeks the views of some writers who have suggested some distinctive solutions to the existential problems that love poses in the face of its obstacles Plato Proust Sartre Freud D H Lawrence Erich Fromm C S Lewis Kierkegaard Simone Weil and Kahlil Gibran **Love** Simon May,2019-06-18 What is love May plunders Western poetry philosophy and psychology to find answers Thought provoking stuff The Sunday Telegraph Love unconditional selfless unchanging sincere and totally accepting is worshipped today as the West's only universal religion To challenge it is one of our few remaining taboos In this path breaking and superbly written book philosopher Simon May does just that dissecting our ideas of love and showing how they are the product of a long and powerful cultural heritage Tracing over twenty five hundred years of human thought and history May shows how our idea of love developed from its Hebraic and Greek origins alongside Christianity until during the last two centuries God is love became love is God so hubristic so escapist so untruthful to the real nature of love that it has booby trapped relationships everywhere with deluded expectations Brilliantly May explores the very different philosophers and writers both skeptics and believers who dared to think differently from Aristotle's perfect friendship and Ovid's celebration of sex and the chase to Rousseau's personal authenticity Nietzsche's affirmation Freud's concepts of loss and mourning and boredom in Proust Against our belief that love is an all powerful solution to finding meaning security and happiness in life May reveals with great clarity what love actually is and what it means The most persuasive account of love's nature I have ever read Financial Times Intellectually engaging Provocative The Wall Street Journal *Jalamanta* Rudolfo Anaya,2015-06-02 A parable for our time We are in deep need of simple truths of rediscovering our ancient teachings and Jalamanta may provide that opportunity The Washington Post Book World For thirty years Fatimah has tended her herd of goats and waited for her lover to return Amado was banished after leading a revolt against the cruel despots of their village the Seventh City of the Fifth Sun He followed the teachings of the wise men and women and roamed the desert in search of knowledge When his exile finally ends he returns transformed no longer the innocent lover of Fatimah's youth but a prophet named Jalamanta or he who strips away the veils that blind the soul He brings enlightenment cures addictions and can perform miracles But Jalamanta's enemies see him as a dangerous threat to the status quo and will use any means necessary to stop him His deep wellspring of faith and compassion will not allow him to give up or give in even as he faces the greatest betrayal of all A searing indictment of tyranny oppression and human suffering Jalamanta is about the age old battle between good and evil that rages in every

heart It is also a tribute to the love that is the creative force of the universe the light that can banish ignorance and fear and illuminate the darkest corners of the soul

Themes in Kangri Love Songs Anil Kumar Swadeshi, Themes in Kangri Love Songs A Literary Perspective is an attempt to reveal the literary relevance of Kangri love songs which people have been singing across the valley of Kangra since the time immemorial and people are still singing these songs as a significant part of their tradition and culture People of Kangra Valley were already aware of their rich culture and tradition and hence the tradition of these love songs continued to represent their culture without any impact of time and space This is the reason they preserved their rich tradition of singing of love songs This book is also an attempt to understand the themes in Kangri love songs in comparison and in relation to various traditions of love songs or poetry existing throughout the globe in well established literary forms This book would have been an impossible endeavor had I not been born in a Kangri community where I lived and understood the ways how culture traverses from one generation to other without any deliberate attempt The selection of love songs is important for these songs are sung everywhere in Kangra but no attempt was ever made to understand them
