together to follow his and other footsteps we can know him and his world a little better We can follow his route today but thankfully not have to worry about wild boars nor highway robbery hopefully nor indeed of falling foul of the monarch or his henchmen as was very much a possibility in the past England is criss crossed by a myriad of ancient routes that are being way marked and walked for the first time in often hundreds of years named after people who have gently faded into history Through this book you can explore the rich heritage of England while enjoying these ancient paths You will learn about these routes both from a geographical and historical but also from a spiritual point of view Walking has never been more popular both to make us healthier and to enjoy the quality of life that we now crave We are able to enjoy this pastime today in a way that was never possible in more ancient times So put on comfortable shoes and take a raincoat this is Britain after all and start walking in the footsteps of our ancient ancestors *England's duty and England's safety.
