Brian Zahnd,2017-08-15 Pastor Brian Zahnd began to question the theology of a wrathful God who delights in punishing sinners and has started to explore the real nature of Jesus and His Father The book isn t only an interesting look at the context of some modern theological ideas it s also offers some profound insight into God s love and eternal plan Relevant Magazine Named one of the Top 10 Books of 2017 God is wrath Or God is Love In his famous sermon Sinners in the Hands of an Angry God Puritan revivalist Jonathan Edwards shaped predominating American theology with a vision of God as angry violent and retributive Three centuries later Brian Zahnd was both mesmerized and terrified by Edwards s wrathful God Haunted by fear that crippled his relationship with God Zahnd spent years praying for a divine experience of hell What Zahnd experienced instead was the Father s love revealed perfectly through Jesus Christ for all prodigal sons and daughters In Sinners in the Hands of a Loving God Zahnd asks important questions like Is seeing God primarily as wrathful towards sinners true or biblical Is fearing God a normal expected behavior And where might the natural implications of this theological framework lead us Thoughtfully wrestling with subjects like Old Testament genocide the crucifixion of Jesus eternal punishment in hell and the final judgment in Revelation Zanhnd maintains that the summit of divine revelation for

sinners is not God's wrath but God's love      **The Danger of Falling Into the Hands of the Living God** Matthew Mead, C. Matthew McMahon, 2016-06-13 In this convicting work directed to increase a healthy fear of the Living God to Christians Mead works from Hebrews 10:31. It is a fearful thing to fall into the hands of the Living God. Mead teaches in what sense God is the living God and what it means to fall into the hands of this God who lives. Every sinner redeemed or remaining in unbelief will ultimately stand in judgment before the Living God and will have to deal with God both necessarily and everlastingly. Necessarily as God requires an account of their life and everlastingly where the final state of the sinner will be determined. Mead demonstrates that having such a healthy fear of falling into God's hands is evidenced from that terror which sinners themselves many times feel under the sense of God's wrath in this world. Men must be saved by Christ to escape the dreadful judgment that accompanies unbelief when they fall into the hands of the Living God. This union with Christ, God's only Redeemer, is such a union as that by it a man's state is fundamentally changed so that he is no longer a child of wrath. It is a union fixed in the blessed state of justification and the forgiveness of sins. By virtue of this union he has a right to all the blessings of the covenant. This is what gives Christians great boldness in the day of judgment to stand before the Living God in whose hands they are judged. This is not a scan or facsimile; it has been updated in modern English for easy reading and has an active table of contents for electronic versions.

**Seekers in the Hands of an Elusive God** Jeffery M. Leonard, 2025-06-17 Some Christians experience the presence of God as readily as they feel a pleasant breeze or sunshine. For others, God's presence is often much more difficult to find. Like the psalmists, we struggle with asking, "Why, O Lord, do you stand far off?" (Ps. 10:1). At least part of the dynamic in this struggle lies in the fact that Scripture presents God as both everywhere and mysterious at the same time. As Paul told the sages of the Areopagus, "In him we live and move and have our being; yet it is God's will that we search for God, grope for him and find him." (Acts 17:27-28). God is as present with his people as the tabernacle was with ancient Israel, and yet even the tabernacle was meant to illustrate the fact that God cannot be pinned down, contained, or controlled. We live in the tension of worshiping a God who is everywhere and yet must be sought. *Seekers in the Hands of an Elusive God* explains the scriptural dynamic of this omnipresent but elusive God. It is when we fail to search for God that our view of who God truly is becomes distorted and our own spiritual health diminishes when our relationship with God lacks this pursuit. But how then are we called to seek God? This book considers a variety of avenues in Scripture: nature, humanity, worship, silence, doubt.
