

A SOLDIER

He is that fallen lance that lies as hurled,
That lies unlifted now, come dew, come
rust,
But still lies pointed as it plowed the dust.
If we who sight along it round the world,
See nothing worthy to have been its mark,
It is because like men we look too near,
Forgetting that as fitted to the sphere,
Our missiles always make too short an arc.
They fall, they rip the grass, they intersect
The curve of earth, and striking, break their
own;
They make us cringe for metal-point on
stone.

The Little Of War Poems:

The Little Book of War Poems Nick De Somogyi, 2000-01-01 [The Little Book of War Poets](#) OH, 2024-06-01 A unique perspective on war and its impact Poets have written about the experience of war since ancient times but the young soldier poets of the First World War established war poetry as a literary genre Leaving an indelible mark on literature their poems offered a powerful insight into the human experience of conflict This book explores the work of some of the most influential poets of the period many of whom lost their lives in battle including Wilfred Owen and Rupert Brooke as well as lesser known poets such as Australian Leon Gellert and Canadian John McCrae Through their words readers are transported to the trenches and battlefields of the First World War and can glimpse the horror trauma and loss experienced by soldiers and civilians alike Packed full of intriguing background information and including moving quotes from letters poems and other sources this book is a testament to the power of language to capture and convey the most profound of human experiences We are the Dead Short days ago We lived felt dawn saw sunset glow Loved and were loved and now we lie In Flanders fields From the poem In Flanders Fields by Canadian poet John McCrae who wrote it after presiding over the funeral of his friend who was killed during the Battle of Ypres in May 1915 **The War Poems Of Wilfred Owen** Wilfred Owen, 2013-08-31 Orpheus the pagan saint of poets went through hell and came back singing In twentieth century mythology the singer wears a steel helmet and makes his descent down some profound dull tunnel in the stinking mud of the Western Front For most readers of English poetry the face under that helmet is that of Wilfred Owen Professor Jon Stallworthy from his Introduction When Wilfred Owen was killed in the days before the Armistice in 1918 he left behind a shattering truthful and indelible record of a soldier's experience of the First World War His greatest war poetry has been collected edited and introduced here by Professor Jon Stallworthy This special edition is published to commemorate the end of the hellish war that Owen though the hard won truth and terrible beauty of his poetry has taught us never to forget [A Companion to Modernist Poetry](#) David E. Chinitz, Gail McDonald, 2014-06-23 A COMPANION TO MODERNIST POETRY A Companion to Modernist Poetry A Companion to Modernist Poetry presents contemporary approaches to modernist poetry in a uniquely in depth and accessible text The first section of the volume reflects the attention to historical and cultural context that has been especially fruitful in recent scholarship The second section focuses on various movements and groupings of poets placing writers in literary history and indicating the currents and countercurrents whose interaction generated the category of modernism as it is now broadly conceived The third section traces the arcs of twenty one poets careers illustrated by analyses of key works The Companion thus offers breadth in its presentation of historical and literary contexts and depth in its attention to individual poets it brings recent scholarship to bear on the subject of modernist poetry while also providing guidance on poets who are historically important and who are likely to appear on syllabi and to attract critical interest for many years to come Edited by two highly respected and notable critics in the field A Companion to Modernist Poetry boasts a varied list of contributors who

have produced an intense focused study of modernist poetry **The Little Magazines** Ian Hamilton,2012-01-19 There have been large magazines with tiny circulations and there have been diminutive sheets which have reached thousands of readers But all little magazines have been small in one or another of these ways and usually in both And yet most of them have had arrestingly large scale ambitions From Ian Hamilton 1938 2001 himself the founder of the Review and New Review comes this matchless survey first published in 1976 of the literary magazine from 1912 1950 concentrating on those periodicals that enjoyed dominant editorial personalities the likes of Pound Eliot Cyril Connolly and which ultimately proved central to their cultural epoch Our one consolation for Ian Hamilton s early death is that his work seems to have lived on with undiminished force He helped to shape our generation and at this rate may well do the same for the next as well Clive James

The Photographic History of the Civil War ...: Poetry and eloquence of Blue and Gray Francis Trevelyan Miller,1911 **The Tradition of the Trojan War in Homer and the Epic Cycle** Jonathan S. Burgess,2003-04-30 Although the Iliad and Odyssey narrate only relatively small portions of the Trojan War and its aftermath for centuries these works have overshadowed other more comprehensive narratives of the conflict particularly the poems known as the Epic Cycle In The Tradition of the Trojan War in Homer and the Epic Cycle Jonathan Burgess challenges Homer s authority on the war s history and the legends surrounding it placing the Iliad and Odyssey in the larger often overlooked context of the entire body of Greek epic poetry of the Archaic Age He traces the development and transmission of the Cyclic poems in ancient Greek culture comparing them to later Homeric poems and finding that they were far more influential than has previously been thought
