The Lives of Ethnic Americans/Book and Student Guide Juan L. Gonzales, Jr.,1994-03-01 The Lives of Ethnic Americans Juan L. Gonzales,1994-06-01 Resources in Education ,2000 **The Italian/American Experience** Louis J. Gesualdi,2012-04-13 The Italian American Experience A Collection of Writings represents a meaningful attempt to inform Italian Americans about their group s varied experiences in America This book unlike many works on the Italian American experience contains writings that explain why popular negative notions of Italian American life are inaccurate The Italian American Experience lists a number of organizations and journals specializing in Italian American culture and provides brief descriptions of many leading researchers in the field of Italian American studies This unique text also contains an annotated bibliography of key books that deal with the lives of Italians and Italian Americans This collection of eleven works offers readers an in depth view of Italian American culture and heritage **African American Student's Guide to College Success** F. Erik Brooks,Glenn L. Starks,2015-10-21 This encouraging guide coaches African American and first generation college students on strategies for maximizing their experiences and success on university campuses Marked gaps in academic achievements continue to exist between white and black students on college campuses in America This motivational book with contributions from academic role models from within the African American community provides tools to help ethnically diverse students choose the best college improve their study skills and cope with academic anxiety From college selection to graduation this practical resource provides firsthand accounts of successful college experiences and the strategies used by former students to obtain their degrees This work is divided into four parts After an introductory section that addresses how to find the right college for aspiring students the second part discusses the culture of an academic environment and reveals what incoming students may discover on a new campus The third section introduces the language and lingo used in college settings Finally the guide concludes with conversations with successful African Americans who have achieved their undergraduate graduate and professional degrees The content also features a helpful college and university directory *Research in Education* ,1974 *Publication* American Sociological Society,1924 *Papers and Proceedings* American Sociological Society.
