The Lives Of Mentally Retarded People:

The Lives Of Mentally Retarded People Daryl P Evans, 1983-03-06 *Sexuality and Relationships in the Lives of People with Intellectual Disabilities* Daniel Docherty, Sue Ledger, Louise Townson, Rohss Chapman, 2014-10-28 Wide ranging authoritative and grounded in the expertise of people with intellectual disabilities this book offers an authentic account of the challenges those with intellectual disabilities face in their relationships and sex lives across the globe and explores what society needs to do to respect their rights

Quality of Life for Handicapped People Roy I. Brown, 2021-06-30 First published in 1988 *Quality of Life for Handicapped People* examines developments and innovations in research and practice concerning the quality of life for those with disabilities The book centres on the topic of rehabilitation education with a particular focus on issues relating to quality of life including what is meant by quality of life and the measures and systems required to assess the variables involved It highlights the significance of rehabilitation education in underlining the key issue of how individuals feel about themselves and how they perceive the services available to them for the purpose of rehabilitation It considers the importance of environment and the improvement of environment in increasing quality of life and examines a range of vocational and social programmes from a variety of perspectives *Quality of Life for Handicapped People* will be of use to those with an interest in the history and development of rehabilitation education

Mental Retardation Robert B. Edgerton, 1979 Explains the causes of retardation the prevention of retardation through such means as genetic counseling and prenatal care and the methods of helping retarded children on the familial social and educational levels

The Theological Voice of Wolf Wolfensberger William C Gaventa, David Coulter, 2013-04-15 Do people with mental retardation have a special prophetic role In the field of developmental disabilities Wolf Wolfensberger is famous for his seminal book *Normalization* But Wolfensberger is also a theologian and the two strands of his thought are inextricable *The Theological Voice of Wolf Wolfensberger* showcases his theories on the spiritual meaning of mental retardation and other disabilities Up until now Wolfensberger's work has been available only in small hard to find publications mostly in the field of human services Thus his theological perspectives have not yet been heard in many religious circles *The Theological Voice of Wolf Wolfensberger* brings together his essays and presentations from the past thirty years giving the reader a unique pathway into his pioneering ideas on the spiritual implications of developmental disabilities In addition the volume includes critiques of his thought by several noted scholars and practitioners along with Wolfensberger's response to those critiques *The Theological Voice of Wolf Wolfensberger* expresses powerful opinions some outrageous all courageous You will find yourself intently engaged with his provocative theories including why installing wheelchair access ramps may actually block full participation of the handicapped in the life of the church how the deathmaking culture of the modern world prevents Christians from understanding the meaning of suffering why people with mental retardation are the prophets of our times why most Christians ignore the powerful Biblical call to communality which special gifts of grace people with mental

retardation may possess how handicapped and societally devalued patients can be protected from the neglect or worse of hospital staff The Theological Voice of Wolf Wolfensberger is challenging inspiring and sometimes infuriating It is bound to stir up controversy among health care professionals disability advocates and anyone concerned with spiritual matters You may not agree with Wolfensberger as some of the contributors to this volume do not but he will make you think hard

Quality of Life for People with Disabilities Roy I. Brown,1997 Interest in quality of life has increased considerably over recent years and is now making considerable impact amongst all practitioners concerned with people with disabilities This book looks critically at the concepts assessment and practice as they relate to quality of life issues in many fields of disability The issues for professional training and practice are evaluated and the benefits of involvement in creative activities are examined Vocational social and leisure implications for quality of life considerations are also explored in a number of chapters Case studies and examples are used throughout the book to make this edition accessible and of real practical use to all those working with people with disabilities

Citizens with Mental Retardation United States. President's Committee on Mental Retardation,1987

The Psychology and Law of Criminal Justice Processes Roger J. R. Levesque,2006 Psychological science now reveals much about the law s response to crime This is the first text to bridge both fields as it presents psychological research and theory relevant to each phase of criminal justice processes The materials are divided into three parts that follow a comprehensive introduction The introduction analyses the major legal themes and values that guide criminal justice processes and points to the many psychological issues they raise Part I examines how the legal system investigates and apprehends criminal suspects Topics range from the identification searching and seizing to the questioning of suspects Part II focuses on how the legal system establishes guilt To do so it centres on the process of bargaining and pleading cases assembling juries providing expert witnesses and considering defendants mental states Part III focuses on the disposition of cases Namely that part highlights the process of sentencing defendants predicting criminal tendencies treating and controlling offenders and determining eligibility for such extreme punishments as the death penalty The format seeks to give readers a feeling for the entire criminal justice process and for the role psychological science has and can play in it
