The Locker Room Mirror How Sports Reflect Society:

The Locker Room Mirror Nathan Aaseng, 1993 Looks at drugs violence cheating race and sex discrimination and the influence money in sports Practical Ethics in Sport Management Angela Lumpkin, Sharon Kay Stoll, Jennifer M. Beller, 2011-12-01 Leaders and managers throughout the sporting world face many ethical challenges on a daily basis Should an athletic director chastise an unruly but influential supporter What factors should affect an athlete's eligibility Is competitiveness acceptable in youth sports This text shows aspiring sports management professionals how to identify the moral issues in sports and develop principle centered leadership practices to lead with justice honesty and beneficence Among the issues addressed are the conflict between sportsmanship and gamesmanship violence in sports racial and gender equity performance enhancing drugs academics and commercialization Throughout specific examples from real world sports situations and reflective questions encourage students to think critically Instructors considering this book for use in a course may request an examination copy here **The New Plantation** B. Hawkins, 2010-02-15 The New Plantation examines the controversial relationship between predominantly White NCAA Division I Institutions PWI's and black athletes utilizing an internal colonial model It provides a much needed in depth analysis to fully comprehend the magnitude of the forces at work that impact black athletes experiences at PWI's Hawkins provides a conceptual framework for understanding the structural arrangements of PWI's and how they present challenges to Black athletes academic success yet challenges some have overcome and gone on to successful careers while many have succumbed to these prevailing structural arrangements and have not benefited accordingly The work is a call for academic reform collective accountability from the communities that bear the burden of nurturing this athletic talent and the institutions that benefit from it and collective consciousness to the Black male athletes that make up the largest percentage of athletes who generate the most revenue for the NCAA and its member institutions Its hope is to promote a balanced exchange in the athletic services rendered and the educational services received The Sports Industry's War on Athletes Peter Finley, Laura L. Finley, 2006-07-30 In America sports are a popular passion and an astoundingly lucrative business as well Americans pay out millions of dollars annually for channels and stadiums to bring them closer to their favorite players and every year young athletes go to greater lengths to reach those exalted fields of play themselves Unfortunately in the quest to offer an ever more compelling product the sports industry is blind to the manner in which that product is created Doping playing through injury and eating disorders are widespread problems in both professional and college athletics and speak volumes about the lengths to which people will go in order to make themselves successful Dirty play hazing and cheating are common even at the lowest levels Most troubling of all however are the societal problems created by the sports industry which include racism sexism classism and homophobia Peter and Laura Finley's comprehensive work confronts the many problems facing athletics today Using numerous examples both historical and current they begin with the issue as they exist at the highest levels and as they are represented in the

media They then go on to look at how the values and models expressed by professionals are adopted and utilized by coaches parents and eventually by amateur athletes of all ages Finally the Finleys provide recommendations for improving the sports environment in America suggesting ways we can work to counteract some of these many harmful influences to ensure that sports realize their potential as a positive and rewarding activity Sports Donald L. Deardorff,2000-09-30 This guide to the available literature on sports in American culture during the last two decades of the 20th century is a companion to Jack Higg s Sports A Reference Guide Greenwood 1982 The types of individual or team sports included in this volume include those that are viewed as physical contests engaged in for physical emotional spiritual or psychological fulfillment With a focus on books alone chapters review the available literature regarding sports and each concludes with a bibliography Academic journals likely to contain articles on the topics discussed are listed at the end of each chapter Twelve chapters discuss sports and American history business and law education ethnicity and race gender literature philosophy and religion popular culture psychology science and technology sociology and world history This reference and guide to further research will appeal to scholars of popular culture and sports An index and two appendixes are included one listing important dates in American sports from 1980 through 2000 and one listing sports halls of fame museums periodicals and websites
