**The Lost Manuscript** Cathy Bonidan,2021-01-12 Sometimes a book has the power to change your life When Anne Lise Briard books a room at the Beau Rivage Hotel for her vacation on the Brittany coast she has no idea this trip will start her on the path to unearthing a mystery In search of something to read she opens up her bedside table drawer in her hotel room and inside she finds an abandoned manuscript Halfway through the pages an address is written She sends pages to the address in hopes of potentially hearing a response from the unknown author But not before she reads the story and falls in love with it The response which she receives a few days later astonishes her Not only does the author write back but he confesses that he lost the manuscript 30 years prior on a flight to Montreal And then he reveals something even more shocking that he was not the author of the second half of the book Anne Lise can't rest until she discovers who this second mystery author is and in doing so tracks down every person who has held this manuscript in their hands Through the letters exchanged by the people whose lives the manuscript has touched she discovers long lost love stories and intimate secrets Romances blossom and new friends are made Everyone's lives are made better by this book and isn't that the point of reading And finally with a plot twist you don't see coming she uncovers the astonishing identity of the author who finished the story **THE LOST**
