The Lost Prayer Of Jabez:

The Lost Prayer of Jabez Larry Pechawer, 2001 Out of Context Richard L. Schultz, 2012-11-01 Although 92% of American households own at least one Bible their use of the Bible varies significantly Only 59% of Americans read the Bible at least occasionally and an even smaller percentage go beyond merely reading the Bible and actually study it It is no wonder that even those who say they read the Scriptures often don't understand them Veteran Bible professor Richard L. Schultz believes the misinterpretation and misapplication of biblical texts amounts to a crisis of interpretive malpractice In Out of Context he seeks to explain how biblical interpretation goes wrong and how to get it right He introduces readers to the important concepts of context word meaning genre and the differences between the world of the Bible and our own Readers who delve into the fascinating world of biblical interpretation found in this book will find their Scripture reading enhanced and be enlightened by Schultz's powerful and ultimately positive message 1 and 2 Chronicles Andrew E. Hill, 2010-05-11 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context To bring the ancient messages of the Bible into today's world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today's preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God's Word with the same powerful impact it had when it was first written Shaping Israelite Identity through Prayers in the Book of Chronicles Kiyong Kim, 2021-11-18 What is the post exilic Israelites destiny What should they have hoped for How could they actualize their desired community This book discusses the identity of the post exilic Israelite community by focusing on the unique rhetorical impetus in the book of Chronicles Chronicles suggests a picture of the desired future Israel Yet the Chronicler does not call for a new identity creation ex nihilo from the community but calls for the restoration of the Israelites past identity by reporting the history of Israel and Judah The restoration of their past identity can be actualized when members of the community fulfill portrayed roles and characteristics in Chronicles worshipping monotheistic believing and praying and Davidic citizenship Further recorded prayer plays a crucial role as Chronicles persuades its readers to render or exhibit those roles and characteristics Prayer invites the community members to participate so that they transform past prayers into their own prayers By doing so the prayer participants perceive portrayed roles and characteristics and change their attitude By rendering and exhibiting desired roles and characteristics they eventually hope for and actualize a better community the liturgical community *The Chronicler's Genealogies* James
