

Excerpts from the Ninety-Five Theses

26. *They preach mad, who say that the soul flies out of purgatory as soon as the money thrown into the chest rattles.*
27. *It is certain that, when the money rattles in the chest, avarice and gain may be increased, but the suffrage of the Church depends on the will of God alone...*
32. *Those who believe that, through letters of pardon, they are made sure of their own salvation, will be eternally damned along with their teachers.*
43. *Christians should be taught that he who gives to a poor man, or lends to a needy man, does better than if he bought pardons...*
56. *The treasures of the Church, whence the Pope grants indulgences, are neither sufficiently named nor known among the people of Christ.*
- 65 & 66. *Hence the treasures of the Gospel are nets, wherewith they now fish for the men of riches...The treasures of indulgences are nets, wherewith they now fish for the riches of men...*
86. *Again; why does not the Pope, whose riches are at this day more ample than those of the wealthiest of the wealthy, build the one Basilica of St. Peter with his own money, rather than with that of poor believers...?*
