The Loving Heartcalendar:

Hearts on Fire: Dogs, Love, and Calendar Heroes Joanna Slodownik, 2020-11-05 From the author of *A Taste of Love Eat Love Vegan Recipes for Love and Life* here s another heart warming funny and inspiring read for animal lovers Olivia is a lawyer and a vegan but quit her well paying job to work at an animal shelter Ryan is a hot firefighter and a hero who saves people and animals from fire Sparks fly from the moment they meet but after a recent breakup Olivia is not ready to trust men again When the shelter is in danger of closing down the plan is to create a calendar featuring the firefighters and the dogs to be sold at the next fundraiser Asking Ryan for help may be their last hope only can he be trusted With shocking rumors being spread about the shelter people turning their backs on them and firefighters joining the competing event will the fundraiser be a success Will Olivia and Ryan end up together or will Olivia s impossibly high standards keep them apart ever after My friends keep telling me that I need a relationship with a man because the whole world doesn t revolve around cats dogs pigs and rabbits But is it my fault that men are mostly liars and cheaters animals on the other hand never laugh at you behind your back or pretend they love you when in fact they re having sex with somebody else when you aren t watching Being bitter and wary may not be a solution but why should I lower my standards I ve been down the dating love relationship path before and I m not going there again certainly not with that smug firefighter hero no matter how many animals or humans he saves When the shelter catches on fire the local fire department is there to save the animals with Ryan saving the most dogs and cats and is all over the television networks acting like a hero As I m watching Ryan Kowalski and his crew posing for pictures talking to reporters who treat them as if they re gods it bothers me is that it s just another piece of news that people will forget The thing about heroes is that they do this epic thing and leave but then it s up to everyone else to clean up the mess which in this case means taking care of the dogs and cats in the Kind Heart Animal Shelter and do our best to save their lives every day before it s too late and they re sent to animal heaven Only that s not newsworthy enough not dramatic enough There s no fire gushing in the background Just mouths to feed and poops to scoop No one will show us on prime time television doing that The truth is no one cares about the life and death of these animals and many of them will end up dead maybe even next week or month because there s not enough space and no money to keep them alive in the shelter Why don t people come and save them That way everybody can be a hero It s easy Adopt Foster Volunteer Meanwhile the question is if we can keep providing safe heaven for the animals in our care and find homes for them before it s too late and they re sent to kill shelters And will I be able to find a man I can trust or will my impossibly high standards keep me from love ever after A novella for all animal lovers and vegans You will laugh and you will cry Buy the book today and watch out for more new releases from this author coming soon Dial Love Donna Lynn, 2013 Much like Neale Donald Walsh s *Conversations with God* except this time God provides a manual with instruction for those interested in making a clear connection to his divine guidance This extraordinary dialogue conveys an unmistakable message of truth The Divine
