*Giving Our Children a Fighting Chance* Susan B. Neuman, Donna C. Celano, 2015-04-25 This is a compelling eye opening portrait of two communities in Philadelphia with drastically different economic resources Over the course of their 10 year investigation the authors of this important new work came to understand that this disparity between affluence and poverty has created a knowledge gap far more important than mere achievement scores with serious implications for students economic prosperity and social mobility At the heart of this knowledge gap is the limited ability of students from poor communities to develop information capital This moving book takes you into the communities in question to meet the students and their families and by doing so provides powerful insights into the role that literacy can play in giving low income students a fighting chance Important reading for a wide audience of educators policymakers school reformers and community activists

*Giving Our Children a Fighting Chance* Documents how inequalities begin early and are reinforced by geographic concentration Compares community libraries to see how print is used in each neighborhood and how children develop as young readers Looks at patterns that create radical differences in experiences and attitudes toward learning prior to entering school Explores the function of technology as a tool that exacerbates the divide between affluent students and those with limited access to information Provides a comprehensive analysis of community literacy documenting the transformation of media habits from books to computers Concludes with a look inside schools to answer questions about what schools can do to overcome this complex unequal playing field

Susan B Neuman is a professor of Educational Studies at the University of Michigan and has served as the U S Assistant Secretary for Elementary and Secondary Education Her books include *Changing the Odds for Children at Risk* Donna C Celano is assistant professor of Communication at La Salle University in Philadelphia

*Giving Our Children a Fighting Chance* depicts a stark reality the enormous and growing divide in literacy and reading skill development between children growing up in poverty and children from the middle and upper classes and the social and economic ramifications This book should be required reading not just for those in the education and policy fields but for anyone who cares about the lives of children and the health of our society

Kyle Zimmer President and CEO First Book By walking the streets riding the buses and taking the subways Celano and Neuman give us a groundbreaking and sobering look at print and education technology resources in two neighborhoods one wealthy and one poor The result is a must read

eye opener for anyone who cares about equal opportunity The stuff of learning is essential but insufficient Only with close teacher parent and student to student coaching can better print and technology resources make a difference Eugenia Kemble Executive Director Albert Shanker Institute The authors of this text make you CARE about these communities and children They provide insights about how we must focus on literacy in order to make a real difference in the lives of students This is one of the most comprehensive analyses to date of community literacy documenting the transformation of media habits from books to computers Linda B Gambrell Distinguished Professor of Education Clemson University **Reading First, eBook** Dawn Purney, Creative Teaching Press, 2003-09-29 Over 100 activities that reinforce 5 key areas of reading instruction and support the requirements of the No Child Left Behind Act *Leading the Common Core Initiative* Carl A. Harvey II, Linda L. Mills, 2014-11-25 Defining both the Common Core Standards and the school librarian s role in their implementation this book offers ready to use lesson plans and other tools for grades K 5 and identifies opportunities for collaborative teaching As elementary schools in nearly all 50 states are faced with meeting the Common Core State Standards CCSS school librarians need to understand the challenges and have lesson plans ready to help This resource introduces the CCSS in English and mathematics to K 5 librarians and aides helping them to understand the concepts analyzing the impact on the school library and providing lesson plans resources and other tools for implementation in integrated instruction with other curricula and collaborative teaching with other elementary teachers Based upon the authors own experiences in adopting the CCSS in their school the included exemplar lesson plans and ideas are designed to support school librarians as they begin to collaborate with teachers in using the Common Core Standards in their daily classroom instruction The book also discusses the opportunities for advocacy that result from the librarian s instrumental role in implementing the CCSS both as a staff developer and a collaborative partner teacher **Billionaires & Babies** Leslie North, USA Today Bestselling Author Leslie North s three Billionaires Babies novels are available together for the first time in this box set collection The Billionaire s Accidental Baby Connie Bonner has spent her life working hard and following her passion never too worried about how things will work out or where her life is headed But after one unforgettable passionate night with Brian O Leary her gorgeous former boss her life has ground to a halt Now she s pregnant Facing the biggest responsibility of her life Worse Brian s new girlfriend and soon to be fianc e is demanding Brian not be named the father and that Connie sign a non disclosure agreement But when Brian begins to help Connie prepare for the baby she finds herself dreaming about not just their child but a family with the billionaire as well Matchmaking the Billionaire When single mother Haley Renault s boss Nicholas Hunter makes a bet that he ll get married before his buddy does Haley sees the perfect opportunity While Haley is no romantic she firmly believes her dating app can find anyone even self centered maddening Nick a perfect match If she can show Nick the app actually works then he might approve it and Haley s dreams of success could begin There s only one hitch The man Nick presents to the outside world is nothing like the caring selfless one she s getting to know the one she s starting
