Davies,2001-05-31 The image of Poland has once again been impressed on European consciousness Norman Davies provides a key to understanding the modern Polish crisis in this lucid and authoritative description of the nation s history Beginning with the period since 1945 he travels back in time to highlight the long term themes and traditions which have influenced present attitudes His evocative account reveals Poland as the heart of Europe in more than the geographical sense It is a country where Europe s ideological conflicts are played out in their most acute form as recent events have emphasized Poland s fate is of vital concern to European civilization as a whole This revised and updated edition tackles and analyses the issues arising from the fall of the Eastern Block and looks at Poland s future within a political climate of democracy and free market *A Heart for Europe* James Bogle,Joanna Bogle,1990 **A Community at the Heart of Europe** Zaira

Vidau,2020-03-26 Nestled in the heart of the Old Continent along the border between Slovenia and the Italian region of Friuli Venezia Giulia Slovenes in Italy form one of Europe s national minorities This volume presents an up to date overview of their efforts to preserve their cultural and linguistic heritage and distinctiveness The Slovene national community in Italy has been affected by profound and at times devastating events including both World Wars the fascist period and the lengthy process of defining the border between Italy and Yugoslavia The collapse of the Berlin Wall Slovenia s declaration of independence and the process of globalisation have provided the community with new forms of protection but also presented it with further challenges associated with adopting its development guidelines This book is dedicated to researchers on ethnic studies civil rights activists and politicians dealing with minority and human rights and diversity management as well as tourists teachers and students *In the Heart of Europe* Gerald Druce,1936 **The Liberal Heart of Europe** Francesco

Giavazzi,Francesco Lefebvre D'Ovidio,Alberto Mingardi,2021-04-15 Was the European Union ever a liberal dream How did the common market impact the liberalization in its member states Has the EU fostered more or less economic freedom in the Old Continent This book explores the intellectual and political genesis of the European Union focusing especially on its relationship to classical liberalism It explains how the new enthusiasm for liberalization associated with Reagan and Thatcher helped revive the European project in the 1980s while providing some insights on the current challenges Europe is facing as a result of the financial crisis and the Covid 19 pandemic The contributors highlight the role of liberal pro market ideas played in shaping the EU the single market and the euro and how these should be coming into play again if the European project is to be reanimated This volume originates from a conference the Italian think tank Istituto Bruno Leoni hosted in 2019 and is dedicated to Alberto Giovannini 1955 2019 Giovannini was an influential macroeconomist and financial economist His vast legacy of studies and ideas prompted this book in his honor on the occasion of his untimely passing away

The Rotten Heart of Europe Bernard Connolly,2013-01-15 The Brussels Commission has just suspended its senior economist Bernard Connolly for writing a book savaging the prospects for a common currency There are many who now believe he should be lauded as a prophet Observer Editorial 1 October 1995 Mr Connolly s longstanding proposition that the

foisting of a common currency upon so many disparate nations would end in ruin is getting a much wider hearing New York Times 17 November 2011 When first published in 1995 The Rotten Heart of Europe caused outrage and delight here was a Brussels insider a senior EU economist daring to talk openly about the likely pitfalls of European monetary union Bernard Connolly lost his job at the Commission but his book was greeted as a profound and persuasive expose of the would be monetary masters of the world His brave act of defiance became headline news and his book a major international bestseller In a substantial new introduction Connolly returns to his prophetic account of the double talk surrounding the efforts of politicians bankers and bureaucrats to force Europe into a crippling monetary straitjacket Hidden agendas are laid bare skulduggery exposed and economic fallacies are skewered producing a horrifying conclusion No one who wants to understand the workings of the EU past present and future can afford to miss this enthralling and deeply disturbing book

The Trade of the New Countries of South-east Europe Canada. Department of Trade and Commerce, 1921 The Mystifications of a Nation Vladimír Macura, 2010-11-18 A keen observer of culture Czech writer Vladimír Macura 1945-99 devoted a lifetime to illuminating the myths that defined his nation The Mystifications of a Nation the first book length translation of Macura's work in English offers essays deftly analyzing a variety of cultural phenomena that originate Macura argues in the big bang of the nineteenth century Czech National Revival with its celebration of a uniquely Czech identity In reflections on two centuries of Czech history he ponders the symbolism in daily life Bridges for example once a force of civilization connecting diverse peoples became a sign of destruction in World War I Turning to the Soviet and post Soviet eras Macura probes a range of richly symbolic practices from the naming of the Prague metro system to the mass gymnastic displays of the Communist period to post Velvet Revolution preoccupations with the national anthem In The Potato Bug he muses on one of the stranger moments in the Cold War the claim that the United States was deliberately dropping insects from airplanes to wreak havoc on the crops of Czechoslovakia While attending to the distinctively Czech elements of such phenomena Macura reveals the larger patterns of Soviet brand socialism We were its cocreators he declares and its analysis touches us as a scalpel turned on its own body Writing with erudition irony and wit Macura turns the scalpel on the authoritarian state around him demythologizing its mythology **Europe Review** Kogan Page, 2003 This reference on the whole of Europe from Gibraltar to Georgia Andorra to Azerbaijan provides both an analytical overview of the region and specific data for each of the 40 countries it comprises Introductory chapters cover regional issues including a regional review with the year's trends developments and key events which EU countries have attracted the most and least Foreign Direct Investment how national governments and the EU are addressing the issue of refugees and asylum patterns of household debt and savings in Europe and the impact of EU enlargement Comprehensive economic and business reports for each country include political and economic surveys identifying the trends developments problems and solutions country profiles including information on economic sectors political parties and systems demographics and languages key facts and analysis
