Three Wagons West George W. Maybee, 2014-06-10 This is a story about how it might have been in 1877 when Charles Maybee moved his family from Kansas to Oregon It is based a note passed down through the family from his oldest son Supporting characters events and personal interactions are fictional But tracing the route that Charles took and knowing the hazards he faced in those days before automobiles existed is like being there with him Charles is tired of scraping out a living in Kansas and believes a homestead in Oregon's fertile Willamette Valley is the way to a better life But his wife Mary Jane refuses to go It would mean traveling by covered wagon for six months They have four small children and a fifth is on the way The rift between her and Charles takes months to mend but she finally relents and in the spring of 1877 when their new baby is just six months old they begin the 2 000 mile journey in the company of two neighboring families Life on the trail is demanding and painfully difficult but Charles leads their party with unwavering resolve In northeast Kansas near the Big Blue River they join a party from Missouri led by Jack Jarrett Continuing as a seven wagon caravan they cross the harsh plains of Nebraska After surviving a fierce storm that threatens their lives and scatters

their livestock they travel through the towering bluffs of western Nebraska into Wyoming Territory and over the Rocky Mountains Continuing through rugged Idaho Territory they enter the promised land of Oregon Still they face a daunting passage through the Blue Mountains and around Mt Hood before reaching Oregon City the end of the Oregon Trail Charles then faces the final challenge finding a place to settle and begin a new life Chasing the Horizon (A Western Light Book #1) Mary Connealy,2024-02-13 Her only chance at freedom waits across the horizon Upon uncovering her tyrannical father's malevolent plot to commit her to an asylum Beth Rutledge fabricates a plan of her own She will rescue her mother who had already been sent to the asylum and escape together on a wagon train heading west Posing as sisters Beth and her mother travel with the pioneers in hopes of making it to Idaho before the others start asking too many questions Wagon train scout Jake Holt senses that the mysterious women in his caravan are running from something When rumors begin to spread of Pinkerton agents searching relentlessly for wanted criminals who match the description of those on his wagon train including Beth she begins to open up to him and he learns something more sinister is at hand Can they risk trusting each other with their lives and their hearts when danger threatens their every step **Circle the Wagons!** Gregory F. Michno,Susan J. Michno,2008-10-17 It's a cinematic image as familiar as John Wayne's face a wagon train circling as a defensive maneuver against Indian attacks This book examines actual and fictional wagon train battles and compares them for realism It also describes how fledgling Hollywood portrayed the concept of westward migration but as the evolving industry became more accurate in historical detail how filmmakers then lost sight of the big picture Slow Wagons West Marie Kyle Nash,2004-11 Had Allen Kyle known Mama and Harriett would die to be buried on the California trail he would have hidden out with his dog Old Tige and refused to leave Freeport Illinois Granmutter called Jefferson Kyle strong minded Allen's opinion at age twelve didn't carry weight with Pa glowing reports of the green summertime land edging the Pacific Ocean Some true some exaggerated the tales set fire to the imaginations of the staid farmers of Illinois like lightening in a field of dry cornstalks Every meetinghouse or street corner echoed with endless discussions Weary of war and enticed by visions of virgin soil reasonable men sold long held family real estate and much of their belongings to sign up for the trek west and his wife into an elegant red wheeled Conestoga and three canvas topped farm wagons to head for California in May sights and dangers of the cross country adventure boredom of driving a rattling wagon for Allen When they reach the wilds of Wyoming his beloved Mama gives birth in the wagon to a twelfth child her sixth son Tainted food unsafe water or giving in to trail weariness she comes down with cholera with no traveling doctor to help her Mama's four grown sons bury her beside the Sweetwater River There is no marker for her and the wagons roll over the grave was in another unmarked grave wonders if their new beginning is worth the hardships *Wagons, Gold and Conflict* John G. Wagon roads west William Turrentine Jackson,1979 **Harper's New Monthly Magazine**,1896 Western Electric Don Zancanella,1996 A study of the psychodynamic role of shame in Melville's work with detailed readings of Moby Dick Pierre and Billy Budd drawing on the work of theorists such as Heinz Kohut Silvan Tomkins and Donald Nathanson to challenge to contemporary reliance on an often abstract poststructuralist model of psychoanalysis For those interested in Melville's work and in psychoanalytic and psychological approaches to literature Annotation copyrighted by Book News Inc Portland OR *Fictions of Western American Domesticity* Amanda J. Zink,2018-06 This work provides a compelling explanation of something that has bedeviled a number of feminist scholars Why did popular authors like Edna Ferber

continue to write conventional fiction while living lives that were far from conventional Amanda J Zink argues that white writers like Ferber and Willa Cather avoided the subject of their own domestic labor by writing about the performance of domestic labor by others showing that American print culture both in novels and through advertisements moved away from portraying women as angels in the house and instead sought to persuade other women to be angels in their houses Zink further explores lesser known works such as Mexican American cookbooks and essays in Indian boarding school magazines to show how women writers dialoging domesticity exemplify the cross cultural encounters between colonial domesticity and sovereign domesticity By situating these interpretations of literature within their historical contexts Zink shows how these writers championed and challenged the ideology of domesticity *The Western Monthly* Francis Fisher Browne, 1869
