makers and anyone wishing to gain an overview of current issues in the field Global Culture Diana Crane, Nobuko Kawashima, Ken'ichi Kawasaki, 2016-05-06 First published in 2002 Routledge is an imprint of Taylor Francis an informal company **Media Studies** Paul Marris, Sue Thornham, 2000-03 Media Studies A Reader provides a thorough introduction to the full range of theoretical perspectives on the mass media from the past thirty years Ranging from the arguments between the American mass communication tradition and the Europe centered Frankfurt School of the 1940s to the analyses of communication technologies by Marshall McLuhan and Raymond Williams in the 1960s Media Studies A Reader maps the mass media field its varied and often conflicting histories and its current debates Sixty five articles provide comprehensive coverage of all the main theorists and approaches The first half Studying the Media explores in detail three core elements of media studies production and regulation of mass media media texts and reception and consumption of media The second half brings together concrete examples of how theoretical debates can be realized in a series of case studies on soap operas the news and advertising A general introduction and introductions to each section summarize and contextualize the debates Contributors include Theodor W Adorno Marshall McLuhan Raymond Williams Stuart Hall Annette Kuhn Jürgen Habermas John Fiske Richard Dyer Niki Strange Danae Clark Angela McRobbie Bill Nichols Lynne Joyrich David Morley Ien Ang Janice Radway Henry Jenkins Tania Modleski Anne McClintock Sadie Plant **Critical Studies in Media Commercialism** Robin Andersen, Lance Strate, 2000 Intense commercialism has been a perennial hallmark of the mass media ever since its inception and throughout the twentieth century the techniques and strategies of the dominant players in the world of media and advertising have become increasingly sophisticated with the development of multinational media corporations and electronic media opportunities Developments have been so rapid that scholars are only now beginning to come to terms with the full impact of media commercialization as a global phenomenon cutting across traditional cultural economic and social boundaries Critical Studies in Media Commercialism brings together an impressive collection of essays that explore the growing complexity range and reach of media commercialism in today's world From the corporate conglomeration of today's media giants to the effects of advertising on politics society and the individual this collection provides a comprehensive and insightful critique of both the impact and the limits of media commercialism in the modern world *Contemporary Australian Television* Stuart Cunningham, Toby Miller, David Rowe, 1994 This book provides the first up to date introduction to the shape and style of Australian television in the 1980s 1990s and beyond Traditional formats like news current affairs and sport as well as newer genres like tabloid and reality TV are treated in detail The authors use their expertise in cultural and media studies to take apart the medium in terms of text genre audience nation culture policy industry and postmodernity Trends and developments that are taking Australian television into the future such as the increasingly international orientation of the local industry and new services like pay TV community TV and ABC satellite TV are also examined in depth **Film Policy** Albert Moran, 2005-08-18 Film Policy is the first comprehensive overview of the workings of the

international film industry The authors examine film cultures and film policy across the world explaining why Hollywood cinema dominates the global film market and the effects of the rise of television and video on the international industry In a series of case studies drawn from North America Europe Latin America Asia and Australia the authors explore the relationship between Hollywood cinema product and national film cultures and trace the development of international and national film policies looking at issues of financing regulation protectionism and censorship **On Location** Serra

Tinic, 2005-12-15 Film and television production are important components of the Canadian economy In Vancouver popular American television series like The X Files and Canadian series like Da Vinci's Inquest have boosted the city's profile as a centre for international and domestic productions Serra Tinic's On Location is the first empirical analysis of regional Canadian television producers in the context of developing global media markets Tinic observes that global television production in Vancouver has been a contradictory process that has on one level led to the homogenization of culturally specific storylines while simultaneously facilitating the development of new avenues for international ventures The author explains how federal and regional network considerations funding guidelines and partnerships with international co-producers affect the capacity of Canadian television producers to negotiate culturally specific storylines in the development process She further interrogates the concepts of globalization culture and national identity and their relationship to broadcasting from the perspectives of members of the television industry themselves highlighting the extent to which industry practices in Vancouver epitomize current trends in global television production On Location fills a major gap in contemporary media and cultural studies debates that question the connections between the politics of place culture and commerce within the larger context of cultural globalization **Puerto Rico** Nancy Morris, 1995-10-30 This book uses

historical and interview data to trace the development of Puerto Rican identity in the 20th century It analyzes how and why Puerto Ricans have maintained a clear sense of distinctiveness in the face of direct and indirect pressures on their identity After gaining sovereignty over Puerto Rico from Spain in 1898 the United States undertook a sustained campaign to Americanize the island Despite 50 years of active Americanization and another 40 years of continued United States sovereignty over the island Puerto Ricans retain a sense of themselves as distinctly and proudly Puerto Rican This study examines the symbols of Puerto Rican identity and their use in the complex politics of the island It shows that identity is dynamic it is experienced differently by individuals across Puerto Rican society and that the key symbols of Puerto Rican identity have not remained static over time Through the study of Puerto Rico the book investigates and challenges the widely heard argument that the inevitable result of the export of U S mass media and consumer culture throughout the world is the weakening of cultural identities in receiving societies The book develops the idea that external pressure on collective identity may strengthen that identity rather than as is often assumed diminish it
