

*The Very Memory Of Your Smile*  
*Poem by LLM Mbatha*

*The very memory of your smile  
The thoughts of seeing you again  
Make each day worth while  
Even as I feel the falling rain*

*Don't take my dreams away  
Tell me, you'll come sometime  
My hope lies on what you say  
Promise me you'll come sometime*

*Don't make me wait forever baby  
Or until my days of prime are done  
I only wanna make you happy  
In a world that's yours and mine*

*What more can I say or write  
Give me a chance to make it show  
There's a flame that you ignite  
It never dies though winds may blow.*

**Smiles Poems...Thoughts to Ponder** Stephen Paul Tolmie,2012-02-18 The Tree of Life The tree of life is so like man ever stretching to the skies Its branches ever reaching upwards as though to heaven above Like mans quest here on earth to reach for that high unknown The tree requires the staples of life for its very existence here But man in his slight wisdom knows these details all too clear The tree roots securely planted are not allowed to roam But mans feet here on earth Have mobility all their own Unlike the tree man does possess a single separate entity A brain you see though seldom used a total shame indeed The tree of life depends on man for its daily lifes survival Man depends on his own lifes skills to hopefully see his tomorrow Which is a sad virtue for his thinking process is not always clear He makes good and bad decisions its effects are not yet known Man should take his lifes lessons from the tree of life pursuit As our single lifes true purpose to reach for heaven above As the tree stretches forth its limbs ever skyward in its growth We should heed this very lesson and praise the Lord above For all that He has done for mankind and this our earth as well Poems to Lift You Up and Make You Smile,2021-07-06 Your Daily Poem launched in June 2009 with a single goal to share the pleasure of poetry with those who may not have had the opportunity to develop an appreciation for that genre usually due to a boring experience in a classroom Along the way a second goal emerged to provide a daily dose of something positive and uplifting This book is a harvest of the cream of the crop 100 poems selected out of the nearly 4000 archived on YDP for their ability to make you feel good about life count your many blessings and smile , *A Concordance to the Poems of Robert Browning* Leslie Nathan Broughton,Benjamin Franklin Stelter,1925 **The Island** Nicholas Jenkins,2024-06-11 Nicholas Jenkins explores war love and politics in the early works of W H Auden one of the twentieth century s most controversial and moving poets Auden s poems embraced both haunted meditations on World War I and lyrical visions of English national identity until in the mid 1930s he lost faith in the artistic potential of such myths *The Literature of the Great War Reconsidered* P. **Soulmates** Dr. Bhavan Mahajan, Poonam Sood,2017-10-04 We often say that for the patient the doctor who cares for and cures him is God incarnate Indeed this is true for the doctors who agonize over the agonies of the patients and their relatives spend sleepless tireless days and nights in their service In fact the doctor and the patient become soulmates in this process But very often the doctors feel that they can only treat and the actual healer is the Supreme Power These twenty one real life stories capture the anguish that a caring physician feels over the loss of a patient despite every effort taken Sometimes these tragedies are quite avoidable brought on by ignorance and irrational beliefs There also profiles of brave men and women who face death with equanimity Like the silver ray that lightens up the cloud of despair there is also the ecstasy when a patient is brought back to life from the very jaws of death These moments are the ones that make up for all the heartbreaks that the doctor suffers over the loss of patients
