King,1960 *Speak Malay!* ,1959 **Books about Singapore & Malaysia** ,1967 **Research on the Early Malay Doctors 1900-1957 Malaya and Singapore** Faridah Abdul Rashid,2012 This book explains how to do research on the early Malay doctors A detailed account of the meaning of the word Malay is given in due recognition of the high status accorded to Malay Civilisation in the Malay annals and Chinese chronicles Forty three early Malay doctors were traced over nine years in Malaya and Singapore The techniques deployed to trace them are explained The sources of their biographies are described which include interviews narratives family accounts newspapers publications and contacting their former institutions friends and associations Only a brief one page biography for each doctor is included in this book There are 30 appendices that contain tabulated information about these doctors information about the early schools medical institutions and hospitals at the time This book is a resource guide on the early Malay doctors based on present research findings More research efforts need to be channelled to find the remaining 12 early Malay doctors **Books about Singapore & Malaysia** National Library (Singapore). Reference Division,1967 Adult Catalog: Subjects Los Angeles County Public Library,1970 *Bibliography of Malaysia & Singapore* Rahadi S. Karni,1980 **Languages in the Malaysian Education System** Asmah Haji Omar,2015-12-16 This book provides an overview of language education in Malaysia covering topics such as the evolution of the education system from pre independence days to the present time to the typology of schools and the public philosophy behind every policy made in the teaching of languages The book consists of chapters devoted to the teaching of languages that form separate strands but are at the same time connected to each other within the education system These chapters discuss Implementing the national language policy in education institutions English in language education policies and planning in Malaysia Chinese and Tamil language education in Malaysia Teaching of indigenous Malaysian languages The role of translation in education in Malaysia It also discusses the development of language which enables the national language Malay to fulfil its role as the main medium of education up to the tertiary level This book will be of interest to researchers studying language planning teacher education and the sociology of education particularly within the Malaysian context *A Grammar And Dictionary of the Malay Language* John Crawfurd,1852 A Grammar and Dictionary of the Malay Language John Crawfurd,1852 **Malaya's Secret Police 1945-60** Leon Comber,2003-08-01 The Malayan Emergency lasted from 1948 to 1960 During these tumultuous years following so soon after the Japanese surrender at the end of the Second World War the whole country was once more turned upside down and the lives of the people changed The war against the Communist Party of MalayaA s determined efforts to overthrow the Malayan government

involved the whole population in one form or another Dr Comber analyses the pivotal role of the Malayan Police's Special Branch the government's supreme intelligence agency in defeating the communist uprising and safeguarding the security of the country He shows for the first time how the Special Branch was organised and how it worked in providing the security forces with political and operational intelligence His book represents a major contribution to our understanding of the Emergency and will be of great interest to all students of Malaysia's recent history as well as counter guerrilla operations It can profitably be mined too to see what lessons can be learned for counterinsurgency operations in other parts of the world

News Bulletin, 1962 *Singapore* Mark Ravinder Frost, Yu-Mei Balasingamchow, 2013-02-19 Brimming with verve and dramatic incident *Singapore A Biography* offers fresh insights into the life story of this island city state through the personal experiences of the workers adventurers rulers and revolutionaries who have shaped its history over the last seven centuries The authors drawing on research undertaken in collaboration with the National Museum of Singapore have woven together ancient chronicles eyewitness accounts oral histories and even modern radio and television broadcasts to create a vivid and compelling narrative that brings the past back to life Grounded in scholarship yet fired by the imagination this book reveals the Singapore story to have been as rich diverse and multilayered as the city state is prosperous ordered and successful today

Law and Society in Malaysia Andrew Harding, Dian A. H. Shah, 2018-01-02 This book provides a systematic and interdisciplinary examination of law and legal institutions in Malaysia It examines legal issues from historical social and political perspectives and discusses the role of law in relation to Malaysian multiculturalism religion politics and society It shows how the Malaysian legal system is at the heart of debates about how to deal with the country's problems which include ethnic and religious divisions uneven and unsustainable development and political authoritarianism and it argues that the Malaysian legal system has much to teach other plural polities nations within the common law tradition and federal states

Nationalism and Decolonisation in Singapore Thum Ping Tjin, 2023-09-29 Nationalism and Decolonisation in Singapore analyses Singapore's decolonisation movement between 1953 and 1963 and provides a framework to understand the deepest and most important unresolved conflicts in Singaporean society This book demonstrates how these conflicts stem from four unresolved schisms dating from the decolonisation period race class language and the meaning of self determination The author argues that these schisms drove the events of decolonisation the creation of Malaysia and Singapore's separation and continue to actively shape Singapore today Using contemporary English and Chinese language sources from a wide array of perspectives as well as numerous declassified official documents this book provides a new approach to the most formative period of Singapore history It explains in detail the different ideologies institutions and conflicts which shaped Singaporean politics and society during decolonisation In particular the book focuses on the leaders of the main groups which most heavily influenced Singapore's anti colonial nationalism the Chinese-speaking the working class and left wing intellectuals It looks at Singapore in the context of global movements of nationalism socialism and

decolonisation and provides a framework which can offer insight into similar attempts by postcolonial governments to construct new nation states from plural societies A novel study of Singapore's independence struggle that incorporates and analyses multiple linguistic socioeconomic and political viewpoints the book will be of interest to researchers of Southeast Asian history and politics and those interested in decolonisation nationalism identity and the politics of race class and language

English Language as Hydra Vaughan Rapatahana, Pauline Bunce, 2012-06-22 English Language as Hydra argues that far too often the English language industry has become a swirling beguiling monster unashamedly intent on challenging local lingua diversity and threatening individual identities This book brings together the voices of linguists literary figures and teaching professionals in a wide ranging expos of this enormous Hydra in action on four continents

Structural Linguistics in the 21st Century Geoffrey Sampson, 2024-09-03 This book is a sequel to Geoffrey Sampson's well received textbook Schools of Linguistics Linguistics changed around the millennium the advent of cheap air travel and the internet meant that geographical distance ceased to be a barrier to scholarly interaction so new developments are no longer grouped into separate schools located in different places Consequently the best way to show how linguistics is flowering in our time is through a sampler displaying individual examples of recent advances Sampson offers such a sampler describing two dozen of the most interesting innovations in the subject to have emerged in the present century And he includes a few looks back at how the approaches described in Schools of Linguistics panned out in the closing years of the old century before they evolved into or made way for today's more realistic and more diverse linguistics
