Speak A Comedy:

The Rise of Classical English Criticism James Edward Routh, 1915 The Quarterly Journal of Public Speaking, 1916

The Speaker, 1906 **Comedy Films 1894-1954** John Montgomery, 2022-04-26 Originally published in 1954 this was the first factual history of comedy films and the men and women who had since 1894 kept us laughing in the cinema It traces the beginning of comic motion pictures and the pioneer work of Paul Gaumont Hepworth Pathe and Zecca Then comes the picture palace craze and the success of the early Italian and French comedies and trick films The work of Al Christie and Mack Sennett in America and the rise of American films is fully described as knockabout gives way to slapstick and salaries and box office receipts soar Now come Chaplin Harold Lloyd and all the other bright figures of the Roaring Twenties with favourites like Buster Keaton and Will Rogers to the fore The development of sound and its effect on the comedians is explained and the story comes up to date through the thirties and forties to 1954 Some of the hundreds of names to whom tribute is paid include Mabel Normand Larry Semon Roscoe Arbuckle Monty Banks Max Linder Harry Langdon Will Hay the Marx Brothers Bob Hope Fernandel and Alec Guinness These are only a few of the many whose careers are traced The book is illustrated by a number of carefully selected photographs many of which are unique This edition first published in 1968 has been revised but the period it covers remains the same 1894 1954 sixty years of film humour *Do You Talk Funny?* David Nihill, 2016-03-08 Public speaking can be terrifying For David Nihill the idea of standing in front of an audience was scarier than cliff jumping into a thorny pit of spiders and mothers in law Without a parachute or advanced weaponry Something had to change In what doesn't sound like the best plan ever David decided to overcome his fears by pretending to be an accomplished comedian called Irish Dave for one full year crashing as many comedy clubs festivals and shows as possible One part of the plan was at least logical he was already Irish and already called Dave In one year David went from being deathly afraid of public speaking to hosting a business conference regularly performing stand up comedy and winning storytelling competitions in front of packed houses And he did it by learning from some of the best public speakers in the world stand up comedians *Do You Talk Funny?* 7 Comedy Habits to Become a Better and Funnier Public Speaker shows how the key principles of stand up comedy can be applied to your speaking engagements and presentations to make you funnier more interesting and better looking Or at least two of the three Whether you are preparing for a business presentation giving a wedding toast defending your thesis raising money from investors or simply want to take on something you're afraid of this book will take you from sweaty to stage ready You'll learn how to Craft a story and content that your audience will want to listen to Find the funniest parts of your material and how to get to them faster Deal with stage fright Master the two most important parts of your performance timing and delivery Ten percent of the author's proceeds from this book will go to Arash Bayatmakou via Help Hope Live until he is fully back on his feet and thereafter to one of the many facing the same challenges after suffering a severe spinal cord injury Performing Live Comedy Chris Ritchie, 2013-12-02 Comedy is a global

multibillion dollar industry and it is also one of the easiest ones to get into Performing Live Comedy is for anyone who has ever thought about getting up onstage and being funny or for those who have already started It offers a breakdown of the process of live comedy and provides a basic toolbox for the student and aspirant comedian covering all aspects of live comedy such as stand up music double acts ventriloquists and magicians Gender sexuality ethnicity and disability are also covered in this book as well as ethical considerations on what we should or should not joke about The book breaks down the entire process of live comedy from writing a simple one liner to creating a complete act from organising an open spot at the local comedy club to getting into the Edinburgh Festival and running your own venue Performing Live Comedy is full of advice and original interviews with comedians and writers currently involved in the comedy industry such as Rob Grant Red Dwarf Shazia Merza Henning Wehn Ed Aczel Paul Zerdin and Lucy Greaves

Disability and Masculinities Cassandra Loeser, Vicki Crowley, Barbara Pini, 2017-05-02 In recent years attending to diversity in the cultivation of embodied identity has been given additional impetus as a result of intersectionality theory Despite this a key gap remains in terms of knowledge about masculinity and disability This book addresses this lacuna through ten empirical chapters organised through the inter related themes of corporeality pedagogy and the critique of otherness Each of the chapters positions the subject of masculinity and disability as a site of cultural pedagogy by affirming different ways of knowing of masculinity beyond dominant ideologies that normalise a particular masculine body and relegate disabled masculinities to the position of abnormal Other Part One focuses on pedagogy Through the materialities of medicalized colonialism imprimaturs of relational genealogies compounding differences and an analytical exposition of some of the neo colonial conditions of the Global South within spatially considered places of the Global North Chapter 1 examines the denial of human rights to the Indigenous Anishinaabe community of Shoal Lake 40 in Canada Chapter 1 theorises masculine corporeality in terms that take seriously First Nations national and transnational body politics seriously Chapter 2 examines the ways that movement and affect serve as a form of pedagogy for boys with autism spectrum in schools Part Two s focus on corporeality includes an examination of the nexus of disability and diagnosis in the context of transgender men s experiences of mental health and a discussion of the ways that intersex individuals who identify as men and have experienced genital normalising surgery actively negotiate pluralised masculinities The focus on media in Part Three encompasses a study of the mis interpellation of the disabled male subject in Australian male literature research on the discursive strategies utilised in media representations of disabled veterans in Turkey and an analysis of the political implications of depictions of masculinity disability and sexualities in a variety television program Part Four s theme of self stylisation takes up the questions of men s reconstructions of masculinity in light of Lyme Disease the potential pleasures of heterosexuality for young men with a hearing disability in the realm of Australian Rules Football and the diverse ways that disabled men negotiate patriarchal masculinity in intimate relationships

Tales* George Crabbe,1851 *Lloyd Hamilton* Anthony Balducci,2023-01-11 At first glance Lloyd Hamilton was a large baby faced comic who walked like a duck To the trained eye Hamilton demonstrated keen timing and an inventive mind providing wry humor rich in emotion during his 20 year career Perhaps most importantly Hamilton was greatly admired by his fellow comics receiving praise from the likes of Charlie Chaplin and Buster Keaton This book explores Hamilton s life and work beginning with his conservative middle class childhood and continuing through the comic s entry into show business as a theatre extra his most memorable role as half of silent comedy s Ham and Bud duo and his first feature film *The Darker Self* The author examines Hamilton s private life and alcoholism and the decline of his health and career which led to his death at the age of 43 The book includes exclusive photographs from the Hamilton family a filmography with detailed plot descriptions many behind the scenes facts and an analysis of Hamilton s critical lost feature film *A Self Made Failure* *The American Year Book* Albert Bushnell Hart,1929 **Stand-up Comedy, Theology, and Ethics** Jacob D. Myers,Nicole Graham,2025-09-04 Bringing together the distinct but connected disciplines of theology and ethics Stand up Comedy Theology and Ethics adds to the growing field of humor and religion Beginning by re considering what we know about jokes and laughter the authors propose that more attention needs to be paid to the quasi sacramental magical quality of jokes and the ways laughter can shift the affective states of an audience They then turn their attention to key issues and debates within stand up comedy First is the comical legitimacy or illegitimacy of comedians who employ humor ambiguously so that we are not sure at who or what they are punching Second is the phenomenon of canceling comedians for their behavior off stage Third is the sociopolitical possibilities of stand up Ultimately the authors argue that there is theological religious and ethical significance to contemporary stand up comedy *The Art of Ballet* Mark Edward Perugini,1915
