## **Speakers Complete Library Of Wit And Humor:**

Speaker's Complete Library of Wit and Humor Bill Adler, 1970-01-01      Subject Headings Used in the Dictionary Catalogues of the Library of Congress Library of Congress, Library of Congress. Subject Cataloging Division, 1948      **Library of Congress Subject Headings** Library of Congress, Library of Congress. Subject Cataloging Division, Library of Congress. Office for Subject Cataloging Policy, 2013      **Library of Congress Subject Headings** Library of Congress. Cataloging Policy and Support Office, 2007      **The Game of Humor** Charles R. Gruner, 2017-07-05 Humor wit and laughter surround each person From everyday quips to the carefully contrived comedy of literature newspapers and television we experience humor in many forms yet the impetus for our laughter is far from innocuous Misfortune stupidity and moral or cultural defects however faintly revealed in others and ourselves seem to make us laugh Although discomfiting such negative terms as superiority aggression hostility ridicule or degradation can be applied to instances of humor According to scholars Thomas Hobbes s superiority theory that humor arises from mischances infirmities and indecencies where there is no wit at all applies to most humor With the exception of good natured play Charles R Gruner claims that humor is rarely as innocent as it first appears Gruner s proposed superiority theory of humor is all encompassing In *The Game of Humor* he expands the scope of Hobbes s theory to include and explore the contest aspect of good natured play As such the author believes all instances of humor can be examined as games in terms of competition and keeping score winners and losers Gruner draws on a broad spectrum of thought provoking examples Holocaust jokes sexual humor the racist dialogue of such comic characters as Stepin Fetchit and Archie Bunker simple puns and many of the author s own encounters with everyday humor Gruner challenges the reader to offer a single example of humor that cannot be de-humored by its agonistic nature *The Game of Humor* makes intriguing and enjoyable reading for people interested in humor and the aspects of human motivation This book will also be valuable to professionals in communication and information studies sociologists literary critics and linguists and psychologists concerned with the conflicts and tensions of everyday life      **Beadle's Dime Humorous Speaker, etc** Erastus F.
