Performing the Past Jay Winter, Karin Tilmans, Frank Vree, 2025-10-01 Performing the Past is an investigation of the multiple social and culture practices through which Europeans have negotiated the space between their history and their memory over the past 200 years In museums in opera houses in the streets in the schools in theatres in films on the internet and beyond narratives about the past circulate today at a dizzying speed Producing and selling them is big business if the past is indeed a foreign country there are tens of thousands of tourist agents guides and pundits around to help us on our way for a fee to be sure This collection of essays by renowned scholars from among others Yale Columbia Amsterdam Oxford Cambridge New York University and the European University Institute in Florence is essential reading for anyone interested in today s memory boom Drawing on different national and disciplinary traditions the authors ultimately engage us with the ways in which Europeans continue a venerable tradition of finding out who they are and where they are going by performing the past

The Spectator ,1839 *The Literary World* ,1889 *The Nineteenth-Century French Short Story* Allan Pasco, 2019-07-03 The 19th Century French Short Story by eminent scholar Allan H Pasco seeks to offer a more comprehensive view of the definition capabilities and aims of short stories The book examines general instances of the genre specifically in 19th century France by recognizing their cultural context demonstrating how close analysis of texts effectively communicates their artistry and arguing for a distinction between middling and great short stories Where previous studies have examined the writers of short stories individually The 19th Century French Short Story takes a broader lens to the subject and looks at short story writers as they grapple with the artistic ethical and social concerns of their day Making use of French short story masterpieces with reinforcing comparisons to works from other traditions this book offers the possibility of a more adequate appreciation of the under valued short story genre
