LYNNIE LANG,2013-11-19 It all began when I finally desired quiet time in God s presence He being my Lord and Savior gave me a need to hear encouragement and guidance from Him Knowing I belong to my God Jesus died for my sins and I am filled with His Spirit gave me peace and confidence but I felt there was more I needed I longed to hear from Him Was this really possible How would I know it was Him I would enter my prayer time as usual with quiet meditation praise and worship from my heart and lips I d then pick up my prayer journal for personal prayers petitions and intercession for others In my spirit I would at times receive words of affirmation during my prayer time then when finished be guided to pick up my pen and begin to write I not only realized that God was giving me these words to write and encourage me with but each one was always one page long After almost a year I began to transfer them to my computer As I did I was also given a title and a Scripture to go with each one All I knew was this ability was definitely God given to me for His purpose Soon I was realizing it wasn t all for me I was prompted to share

them on occasion with others This began a list of folks who wanted to receive them on a regular basis The list continued to grow and God continued to encourage me through others to write more as He led me What I thought was God speaking to me only in reality He is able to speak to others through a devotional simple folk like me put down on paper I pray they will bless and encourage all who read them as they have been for me May this book always be a reminder to us that God is speaking are you listening

Speaking With God's Voice Louis A. Miraglia, 2016-12-17 The world today groans under the weight of many crushing problems but it's not intellectuals presidents or political parties who have the solutions The rescue agents are born again believers who fall under the great commission and that's you This command for you to go into the whole world is not given by One who would leave you an orphan God will equip you but you must do it His way Once you're a believer God appoints you to two roles immediately One as the receiver of God's word one as the deliverer of God's word Many faithful men and women have little problem understanding the first role They see themselves as student learners who must grow in God's word and get enlightenment by the Holy Spirit Many faithfully fulfill the biblical prerequisites of prayer and preparation and they become quite good at understanding the scriptures Over the years the Holy Spirit guides them into deeper and deeper insights into God's word It is as they move into the role of deliverer of God's word that they have problems Many people will shut them out the delivery has failed to adopt a biblically required role change To be effective in this new role God's messengers must Speak with God's Voice This means they must speak authoritatively and prophetically These biblical prerequisites have been very much misunderstood and abandoned leaving the message from God's word a mere man made endeavor God may bless this type of message but the only way to guarantee God's anointing is to deliver it His way with His voice This book explains in detail how these scriptural

requirements are put into effect Remember The power of the Holy Spirit is available to ALL believers but it is not automatic A dear evangelical preacher of more than thirty years who pastors a church on the New York Pennsylvania border read this book and made the following comment I would highly recommend this book as required reading for every minister and ministerial student It is one of the most practical cries for and description of anointed preaching that I have read For too long the church has tried to dazzle people with new music new technologies and methods and missed the high calling of preaching the Word under the power of the Holy Spirit Thanks Louie for your inspiring words *Shhh...God Is Speaking* Thaddeus Wright,2015-04-14 This book is about one thing and that is to bring people all over the world closer to God It is about being able to hear and apply what God is saying to us as a people It is about what God is saying and not me the Author It is intended to help motivate and inspire the unbeliever to become a believer and a servant of the most high God and to bring the believer even closer to God In this book I use personal experiences to illustrate that no matter what people may be going through or what they have done God is still in the delivering business It is all about praising and giving God the glory in spite of how your situation may look It is about praising your way out of your storm rather than walking through the storm with your head held down This book is all about our father our creator our healer our deliverer and our Savior Jesus Christ I Speak in the Power of God's Speech Renee Pearsall,2019-07-11 This manual is about how to gain power over your life as you learn to listen to what God is speaking to you Through His Words you will be equipped with the courage and strength to face any battle in your life This manual serves as a guide to help you strengthen your day to day relationship with God as you master the concept of speaking peace health and prosperity **Speaking Things into Existence by Faith** Prayer M. this book Including one of my best sellers Command the Morning Day and Night Link at the end of the book *100 Ways God Speaks to You* Robert A. Avila, 2021-12-10 Call out the voice asserted This direction edged into my brain and flooded my mental realm God can speak to any of us anytime but how do we hear Him Christian author Robert Avila didn't always recognize God speaking to him until he discovered a pattern In a collection of short stories from his life Avila shares specific moments he acted upon promptings from a still small voice saw the outcome and noticed God using him as a vehicle to carry out tiny and sometimes enormous miracles But how did Robert know it wasn't just his own thoughts In this collection of interactions with God told in short story form he explains how God breaks the chains of religious indoctrination and sets us on the narrow path He teaches us the techniques God uses to draw us nearer to Him and guide us toward our life's purposes Perhaps God is speaking to you but you don't recognize His voice Just like there are hundreds of radio waves some producing clear sounds others inaudible there are more than 100 ways God communicates In this book Robert Avila teaches you how to transform your faith tune in and hear Him Speaking God's Promises Changing Your World Michael Byrd, Ph.d., 2015-05-31 Death and life are in the power of the tongue and they who indulge in it shall eat the fruit of it for death or life Proverbs 18:21 AMP Biblical Declarations call God to His promises Speaking the scriptures renew our minds in Christ by transforming and conforming us to the image of Christ Christ only said what the Father said We too should say what the Father says And we will get what we say Job 22:28 KJV Thou shalt also decree a thing and it shall be established unto thee and the light shall shine upon thy ways The direction of our lives is set by what we say James 3:4-5 MSG A small rudder on a huge ship in the hands of a skilled captain sets a course in the face of the strongest winds 5 A word out of your mouth may seem of no account but it can accomplish nearly anything or destroy it It only takes a spark remember to set off a forest fire The strongest winds are storm winds We think of the storms in life as the problems People blame the storms problems in their lives for the course or outcome of their lives but it's not the strongest winds that direct our lives It is our rudder or tongue that directs our lives Weather we become shipwrecked on the rocky shores of life or glide peacefully into calm harbor depends on how skillfully we manage our rudder or tongue Like a small spark can destroy a huge forest We too can destroy the people around us by the words we say The Bible gives examples of what to do and not do in times of trouble or storms We can either praise God or complain Complaining glorifies the problem which glorifies the author of the problem God is not the author of confusion but of peace according to 1 Corinthians 14:33 Jesus after fasting for forty days and nights was weakened but when tempted used the scriptures to overcome and so should we as well Genesis 1:28 declares that God gave us dominion over everything We take or give away our authority over everything in our lives by what we say Proverbs 19:21 Death and life are in the power of the tongue Our tongues are powerful 2 Corinthians 6:7 states For we walk by faith not by sight appearance We can speak God's promises in faith to the glory of God or speak about our negative situations thereby glorifying Satan the author of the situation Our words can be used as a weapon The sword of the Spirit which is the word of
