Special Operations Singapore, 1941-42 Richard Gough,1987 When Special Operations Executive was set up in the summer of 1940 Singapore seemed far from any likely war zone But Lt Colonel Alan Warren was sent there in early 1941 to take charge of all SOE operations in the Far East His job was far from easy as both the native population and the military saw little purpose in his mission Yet a year later Britain s empire in the Far East had collapsed like a pack of cards suffering disaster at sea and on land This is the story of that year for the Orient Mission the name given to this section of SOE as this small number of men tried desperately to achieve results against the Japanese advance through Asia Page 4 of cover
